REGION 8 BULLETIN NO: 2013-15

Date: October 17, 2013

Subject: FTA Has Reopened

Dear Region 8 Grantees:

I am pleased to advise you that the FTA has reopened. As you know, most of the FTA staff, including the Region 8 Office, were furloughed during the partial government shutdown. We are excited to be back and to re-engage in the important work we do together.

This week, our main focus will be on your urgent issues. If you have not done so already, please call or email us about anything that needs our immediate attention. Over the next several days, staff will also be working through the backlog of correspondence and will be following up with you.

We look forward to re-connecting.

Sincerely,

A handwritten signature in purple ink that reads "Linda M. Gehrke".

Linda M. Gehrke
Regional Administrator
