REGION 8 BULLETIN NO: 2014-14

Subject: NTI FTA Real Estate Requirements Course
Salt Lake City, UT - July 15-16, 2014

Date: June 10, 2014

Dear Region 8 Grantees:

[The National Transit Institute](#) is offering a FTA Real Estate Requirements Course in Salt Lake City, UT on July 15-16th. Please click on the above link for more information and to register.

This Real Estate course is intended for grantees that are or will be acquiring right-of-way for their projects and for regional personnel, who have real estate as a collateral duty.

The acquisition of real estate and the displacement of persons for an FTA assisted project is regulated by the Uniform Act. FTA has also developed various additional regulatory guidance materials for its real estate activities. The practical application of the law and the other regulatory materials is often confusing for grantees. This course is an introduction to those issues and provides attendees with a hands-on experience for many aspects of the real estate requirements. These include appraisals, appraisal review, negotiation, relocation, and the development of a RAMP and Relocation Plan. Additionally, the course discusses non-Uniform Act issues such as in-kind contributions and donations.

The Fee is \$300.00 for Contractor, Consulting, Non-USA Transportation or Government Agency, Other.

Free for all others.

For more information on any of the above classes, please contact NTI Program Coordinator Myrna Sirleaf at 732-932-1700, ext. 228 or at msirleaf@nti.rutgers.edu

Sincerely,
