Subject: Save-The-Date, Region 8 Triennial Review Workshop

Date: September 24, 2014

Dear Grantees:

SAVE THE DATE! On November 5th & 6th, FTA will be offering a 2-day Triennial Review Workshop for grantees in downtown Denver, concurrent with the upcoming TrAMS training. All grantees are encouraged to attend the workshop, especially those with triennial reviews coming up in 2015. This is part of our continuing outreach effort to keep FTA recipients up-to-date with the review requirements. **An announcement about the specific location and how to register will be coming soon.**

Please contact Donna Douville, Region 8 at 720.963.3332 or donna.douville@dot.gov with any questions or concerns.

We look forward to seeing you in Denver in November.

Sincerely,
