- Discussion – hot topics, lessons learned, must have resources (60 minutes)
 - Sharing regarding:
 1. Performance measures – what metrics do we use; What method for data collection do we use; How do we report and communicate performance measure findings?
 2. How do we define technical assistance – do we describe it according to duration or intensity level?
- Final thoughts – Marianne Stock, FTA (5 minutes)
- Next steps – who wants to arrange next meeting?

Reminders:

We asked you to send your TA center events (trainings, webinars, etc.) to <https://www.transit.dot.gov/events> to be included on the FTA calendar of events, and link to the FTA calendar on your TA center website and newsletter. This is the current and corrected link.
