Federal Transit Administration
Technical Assistance Center Coordination Meeting
Dec. 1, 2020, 9:00 am- Noon EST
Via Zoom

Purpose: To prioritize a coordinated communication strategy across FTA and its five national technical assistance (TA) centers that will share information effectively with state transportation agencies and rural and tribal transit providers on coordination opportunities and leading coordination practices in an accessible and informative way.

Objectives: To resolve the outstanding GAO recommendation via [Public Transportation: Enhanced Federal Information Sharing on Coordination Could Improve Rural Transit Services](#):

1. Generating a centralized, searchable library database cataloging all available transportation resources, cross linked on FTA-funded TA centers and FTA program webpages. (Under development by NRTAP);
2. Continue planning quarterly meetings to share upcoming events and resources for cross promotion, and encourage ongoing coordination across the TA centers and FTA; and
3. Recommending future activities for coordination.
