Table IV: Award Activity

TABLE IV - AWARD ACTIVITY FOR FTA AND NON-FTA-FUNDED PROJECTS

Indicate which projects were/are/will be FTA-funded.

Provide a brief description of noteworthy projects completed since your last Comprehensive Review.

1. Main Street Bridge: The Main Street Bridge is located in the northern portion of Motor City where the XYZ Transit rail line crosses Brake Creek. The project modified the existing railroad trestle by replacing 300 feet of the southern wooden trestle with a new in line, steel deck and concrete piers, single-track bridge. The project limits are at the south approach to Bridge 208.6 on the Transit City Subdivision. Construction started in August 2014 and construction was completed in August 2015.

Provide a brief description of noteworthy projects that are on-going.

1. Positive Train Control (PTC): PTC is a federally mandated integrated command, control, communications, and information system that can controls train movements, and even stop the train when conditions warrant. The PTC Project started in August 2012. In April 2017, XYZ Transit began the Initial Revenue Service Demonstration (RSD) testing phase. After success with this phase, XYZ was cleared to begin the Extended RSD phase of PTC, which commenced on all rail lines effective October 16, 2017. The rail trains that operate PTC have the full benefits of Positive Train Control during this RSD Phase. XYZ will continue in Extended RSD until the Federal Railroad Administration (FRA) certifies XYZ's PTC system. Full compliance with FRA certification is due by December 31, 2018 and XYZ is on track to meet that deadline.

Provide a brief description of noteworthy projects that are planned for the next three to five years.

1. XYZ Bus Replacement: XYZ's current replacement schedule for fixed route buses is:
 - 8 Buses in FY2018
 - 3 buses in FY 2019
 - 18 buses in FY2020
 - 11 buses in FY2021
 - 16 buses in FY2022

- Remember to indicate if projects are locally funded vs. FTA funded
- Take credit for completed projects
- Note future projects that will be new and/or difficult for your agency
