Guide to abbreviations:

Project Type: NS = New Starts, SS = Small Starts, CC = Core Capacity

Mode: BRT = Bus Rapid Transit, CR = Commuter Rail, HR = Heavy Rail, LRT = Light Rail Transit, SC = Streetcar

Rating: H = High, MH = Medium-High, M = Medium, ML = Medium-Low, L = Low

Other: CIG = Capital Investment Grant, NEPA = National Environmental Policy Act, PD = Project Development, Eng = Engineering, LONP = Letter of No Prejudice, TBD = To Be Determined, N/A = Not Applicable

* Ratings are point-in-time evaluations by FTA and may change as the projects proceed through planning and design. Project ratings are typically prepared for the *Annual Report to Congress* and for project advancement decisions such as Engineering approvals or construction grant awards.

** *FY 2024 Annual Report to Congress* or latest ratings

† 'Committed' means project sponsor has obtained all non-CIG matching funds; 'In Progress' means project sponsor is still working to obtain commitments of all non-CIG matching funds

‡ Estimated Grant Dates are based on projects meeting all of the readiness requirements to receive a construction grant, and are subject to change if these items are not completed by project sponsors in a timely manner.

◇ Joint Intercity-Public Transit project; CIG share reported as a percentage of the total overall project cost

^ USDOT TIFIA, RRIF, or RAISE funding also assumed
