

Office of Transit Safety & Oversight (TSO)

Current Resources

Rail Grade Crossing Safety Resources

FTA has created a webpage that includes rail grade crossing safety resources to assist transit agencies in making transit safer for all.

Cybersecurity Resources

These cybersecurity resources support transit agencies as they prepare to mitigate and respond to cybersecurity issues.

Mental Health Resources

These resources help transit stakeholders address mental health concerns and support self-care.

Program Oversight

FTA provides resources for transit grant recipients related to federal oversight review programs (Triennial Reviews, State Management Reviews, Procurement System Reviews, etc.).

Drug and Alcohol Program

Access tools, resources, updates to legislation and regulations, trainings and technical assistance.

PTASP TAC and Resource Library

The Public Transportation Agency Safety Plans (PTASP) Technical Assistance Center (TAC) provides comprehensive technical assistance to help the transit industry meet PTASP regulation requirements.

TSO GovDelivery

Stay informed with the latest TSO news, transit industry updates and resources right to your inbox. Subscribe today! Be sure to select all topics in the “Safety & Oversight” category.

TSO Spotlight Newsletters

The *Transit Safety and Oversight Spotlight* is a monthly newsletter about safety and oversight topics, events, training and guidance that affect the public transportation industry.

TSO Conference Presentations

Access all of the TSO conference presentations from the past to the present.

Safety Trainings

Access details about FTA-sponsored training delivered by the Transportation Safety Institute and National Transit Institute.
