Washington, D.C., 20001

Friday
American Public Transportation
Association, 1666 K Street,
NW Suite 1100,
Washington, DC 20006

Capital Bike Share Warehouse,
1812 Half Street SW,
Washington, DC 20003

Bike Sharing has quickly emerged as a cost effective and sustainable strategy to bolster public transit usage and get more Americans biking in our cities and towns.

Join the conversation as city officials, transit operators, researchers, and leading experts on bike sharing gather to discuss best practices and lessons learned for bike share systems in the United States.

Organized by

National Association of City Transportation Officials
Federal Transit Administration
Federal Highway Administration

American Public Transportation Association
League of American Bicyclists
National Center for Transit Research
National Bus Rapid Transit Institute

Sponsored by
