- Questions

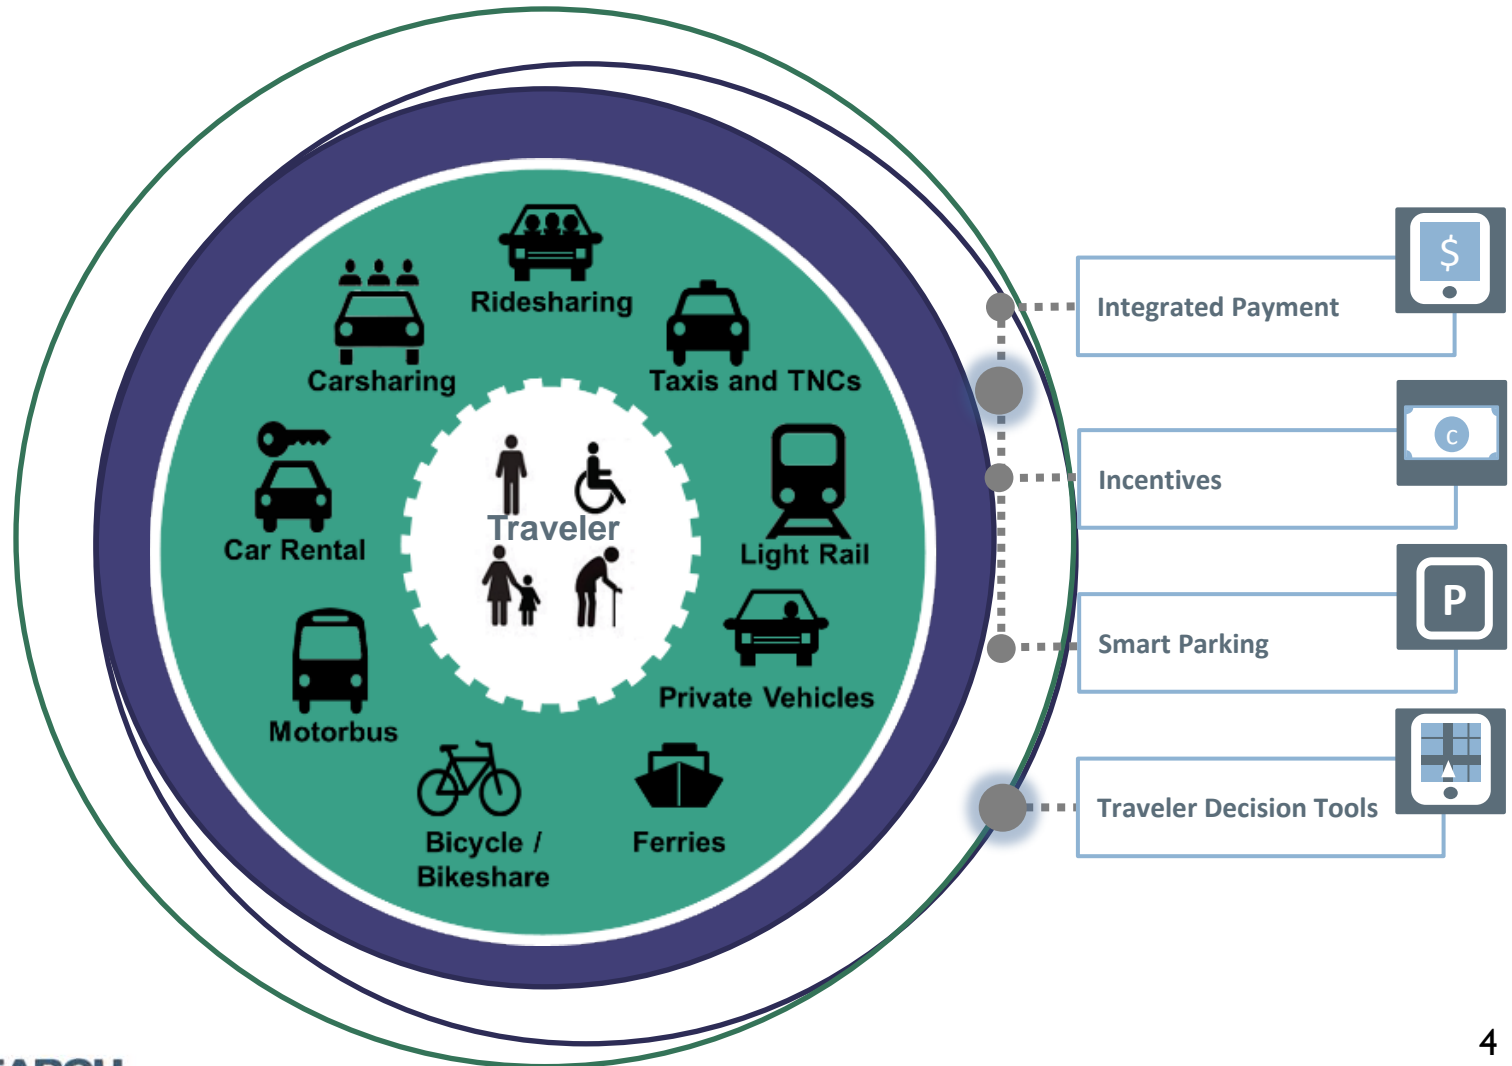

What is Mobility on Demand (MOD)?

An integrated and connected multi-modal network of safe, affordable, and reliable transportation options that are available to all

FTA's Mobility on Demand Program

Transit in the evolving landscape of personal mobility

What is the MOD Sandbox?

Demonstration program to explore MOD models

- **Explores** innovative approaches to integrate MOD solutions with public transportation
- **Empowers** project teams to implement innovative business models to deliver high-quality, seamless and equitable mobility options
- **Informs** FTA how to approach MOD and structure future MOD policies, and support grantees

Why a Sandbox?

- Many players can come together to innovate, experiment and learn
- Apart from conventional practices and constraints
- All can bring different tools and play together as they choose

MOD Sandbox Program Overview

- **\$8 Million** currently available
- Notice of Funding Opportunity (NOFO) to request proposals
 - Notice in Federal Register – May 3, 2016
 - Application deadline **July 5, 2016**
 - Announcement of Projects - 2016
- FTA seeks **bold** and **innovative** projects with strong partnerships
- Projects require 20-percent cost match
- Multiple project awards
