

FY 2015 FTA FINANCIAL MANAGEMENT OVERSIGHT SEMINARS

BACKGROUND

The Federal Transit Administration (FTA) provides stewardship of combined formula and discretionary programs totaling approximately \$8B to support a variety of locally planned, constructed, and operated public transportation systems throughout the United States. As part of its oversight responsibilities, the FTA, through its Financial Management Oversight (FMO) program conducts several types of reviews to assure grantee compliance with grant and statutory requirements. The FTA sponsors the FMO seminars to prepare grantees for FMO reviews and to enhance and refine their financial management systems to meet the standards established by 2 CFR Part 200 and 2 CFR Part 1201.

The seminar will begin with introductory remarks by key FTA personnel and training instructors. The instructors will cover the FMO review process, sound internal control practices, compliance with OMB and FTA financial management regulations, federal financial reporting processes, budget changes and grant amendments, cash management issues, indirect cost rate proposals, cost allocation plans, and disaster recovery planning. Also, participants will be provided with exercises and case studies patterned after actual FMO reviews.

The seminar format provides for individual questions throughout the sessions and additional time after sessions to consult with instructors. FTA will provide a workbook and other related materials at each seminar.

WHO SHOULD ATTEND?

Financial Management Oversight Seminars are designed for grantee personnel who are responsible for the financial management of FTA grant funds. This would include CFO's, CEO's, Accountants, and individuals responsible for planning/managing transit services, and managing compliance programs. Transit agencies that are scheduled for a Financial Management Review during Fiscal Year 2015 are especially encouraged to attend the seminar. The seminar will ensure that your organization is aware of new FTA requirements and assist you in preparing for future reviews.

Due to space limitations, only two registrants per agency will be accepted, and there is a maximum of 40 attendees per seminar. Additional registrants will be placed on a waiting list, and added to the attendee list if space becomes available. Please contact Janisha Richardson at (571) 257-5090 ext. 224 with any questions.

SEMINAR LEADERS

Transit professionals who are reviewers for the FTA's Financial Management Oversight Program will conduct the Financial Management Oversight Seminars. The instructors will provide guidance, answer questions about how to respond to specific areas, and share industry best practices. FTA Personnel will attend the seminar to answer questions about your upcoming Financial Management Review, assist you in any area related to your FTA grant programs, and refer you to printed guidelines or other resources, should you require additional information.
