

FY 2010 FTA FINANCIAL MANAGEMENT OVERSIGHT SEMINARS

BACKGROUND

The Federal Transit Administration (FTA) is responsible for administering billions of dollars of financial assistance to the transit industry each year. As part of its oversight responsibilities, the FTA through its Financial Management Oversight (FMO) program conducts several financial reviews to assure grantee compliance with grant and statutory requirements. The FTA sponsors a series of seminars to prepare grantees for FMO reviews and to enhance and refine their financial management systems to meet the standards established by the Common Rule. The seminars will begin with introductory remarks by key FTA personnel and training instructors, followed by a description of the FMO review process. The instructors will also cover a review of sound Internal Control and Disaster Recovery Planning concepts and will provide the participants with exercises and case studies patterned after actual FMO reviews.

The seminar will also address particular areas of financial management concerns, including the financial status reporting process, ARRA reporting requirements, budget changes and grant amendments, cash management issues, and cost allocation plans.

The seminar format provides for individual questions throughout the sessions with additional time after sessions to consult with instructors. FTA will provide a workbook and other related materials at each seminar.

WHO SHOULD ATTEND?

Financial Management Oversight Seminars are designed for grantees responsible for the financial management of FTA grant funds. This would include CFO's, CEO's, Accountants and individuals responsible for planning, managing transit service or compliance programs. Transit agencies that are scheduled for a Financial Management Review during Fiscal Year 2010 are especially encouraged to attend the seminar. The seminar will ensure that your organization is aware of new FTA requirements and assist you in preparing for a future review.

Due to space limitations, two registrants per agency will be accepted, and there is a maximum of 40 attendees per seminar. Additional registrants will be placed on a waiting list as space becomes available. Please contact Janisha Richardson at (571) 257-5090 ext. 224 with any questions.

SEMINAR LEADERS

Transit professionals who are reviewers for the FTA's Financial Management Oversight Program will conduct the Financial Management Oversight Seminars. The instructors will provide guidance, answer questions about how to respond to specific areas, and share industry best practices. Staff from the FTA will attend the seminar to answer questions about your upcoming Financial Management Review, assist you in any area related to your FTA grant program, and refer you to printed guidelines or other resources should you require additional information.
