DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Alternative Transportation in Parks and Public Lands Program

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Paul S. Sarbanes Transit in Parks Program Announcement of Project Selections.

SUMMARY: The U.S. Department of Transportation's (DOT) Federal Transit Administration (FTA) announces the selection of projects funded with Fiscal Year (FY) 2009 appropriations for the Paul S. Sarbanes Transit in Parks program (formally the Alternative Transportation in Parks and Public Lands (ATPPL) program, authorized by Section 3021 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act—A Legacy for Users of 2005 (SAFETEA-LU) and codified in 49 U.S.C. 5320. The Paul S. Sarbanes Transit in Parks program funds capital and planning expenses for alternative transportation systems in parks and public lands. Federal land management agencies and State, tribal and local governments acting with the consent of a Federal land management agency are eligible recipients.

FOR FURTHER INFORMATION CONTACT:

Project sponsors who are State, local, or tribal entities may contact the appropriate FTA Regional Administrator (See the Appendix to this Notice) for grant-specific issues. Project sponsors who are a Federal land management agency or a specific unit of a Federal land management agency should work with the contact listed below at their headquarters office to coordinate the availability of funds to that unit.

- *National Park Service:* Mark H Hartsoe, Mark_H_Hartsoe@nps.gov; tel: 202-513-7025, fax: 202-371-6675, mail: 1849 C Street, NW., (MS2420); Washington, DC 20240-0001.

- *Fish and Wildlife Service:* Nathan Caldwell, Nathan_Caldwell@fws.gov, tel: 703-358-2205, fax: 703-358-2517, mail: 4401 N. Fairfax Drive, Room 634; Arlington, VA 22203.

- *Forest Service:* Floyd Thompson, Fthompson02@fs.fed.us, tel: 202-205-1423, mail: 1400 Independence Avenue, SW.; Washington, DC 20250-1101.

- *Bureau of Land Management:* Victor F. Montoya, Victor_Montoya@blm.gov, tel: 202-912-7041, mail: 1620 L Street, WO-854, Washington, DC 20036.

For general information about the Paul S. Sarbanes Transit in Parks program, please contact Kimberly Sledge, Office of Program Management, Federal Transit Administration, at kimberly.sledge@dot.gov, 202-366-2053.

SUPPLEMENTARY INFORMATION:

A total of \$26,900,000 was appropriated for FTA's Paul S. Sarbanes Transit in Parks program in Fiscal Year (FY) 2009. Of this amount, a minimum of \$24,801,473 is available for project awards; \$134,500 is reserved for oversight activities; \$1,500,000 is reserved for planning, research, and technical assistance; and \$464,027 will be added to available FY 2010 appropriations for the program. A total of 80 applicants requested \$69.0 million, more than twice the amount available in FY 2009 for projects, indicating high competition for funds. Both the U.S. Department of Interior and DOT review committees evaluated the project proposals based on the criteria defined in 49 U.S.C. 5320(g)(2). Final selections were made through a collaborative process.

The goals of the program are to conserve natural, historical, and cultural resources; reduce congestion and pollution; improve visitor mobility and accessibility; enhance visitor experience; and ensure access to all, including persons with disabilities through alternative transportation projects. The projects selected to use FY 2009 funding represent a diverse set of capital and planning projects across the country, ranging from bus purchases to installation of Intelligent Transportation Systems (ITS) and are listed in Table 1.

Applying For Funds

Recipients who are State or local government entities will be required to apply for Paul S. Sarbanes Transit in Parks program funds electronically through FTA's electronic grant award and management system, TEAM. These entities are assigned discretionary project IDs as shown in Table 1 of this notice. The content of these grant

applications must reflect the approved proposal. (**Note:** Applications for the Paul S. Sarbanes Transit in Parks program do not require Department of Labor Certification.) Upon grant award, payments to grantees will be made by electronic transfer to the grantee's financial institution through FTA's Electronic Clearing House Operation (ECHO) system. Staff in FTA's Regional offices are available to assist applicants.

Recipients who are Federal land management agencies will be required to enter into an interagency agreement with FTA. FTA will administer one interagency agreement with each Federal land management agency receiving funding through the program for all of that agency's projects. Individual units of Federal land management agencies should work with the contact at their headquarters office listed above to coordinate the availability of funds to that unit.

Program Requirements

Section 5320 requires funding recipients to meet certain requirements. Requirements that reflect existing statutory and regulatory provisions can be found in the document "Alternative Transportation in Parks and Public Lands Program: Requirements for Recipients" available at <http://www.fta.dot.gov/atppl>. These requirements are incorporated into the grant agreements and inter-agency agreements used to fund the selected projects.

Pre-Award Authority

Pre-award authority allows an agency that will receive a grant or interagency agreement to incur certain project costs prior to receipt of the grant or interagency agreement and retain eligibility of the costs for subsequent reimbursement after the grant or agreement is approved. The recipient assumes all risk and is responsible for ensuring that all conditions are met to retain eligibility, including compliance with Federal requirements such as the National Environmental Policy Act (NEPA), SAFETEA-LU planning requirements, and provisions established in the grant contract or Interagency Agreement. This automatic pre-award spending authority, when triggered, permits a grantee to incur costs on an eligible transit capital or planning project without prejudice to possible future Federal participation in the cost of the project or projects. Under the authority provided in 49 U.S.C. 5320(h), FTA is extending pre-award authority for FY 2009 ATPPL projects effective April 5, 2010 when the projects were publicly announced.

The conditions under which pre-award authority may be utilized are specified below:

a. Pre-award authority is not a legal or implied commitment that the project(s) will be approved for FTA assistance or that FTA will obligate Federal funds for those projects. Furthermore, it is not a legal or implied commitment that all items undertaken by the applicant will be eligible for inclusion in the project(s).

b. All FTA statutory, procedural, and contractual requirements must be met.

c. No action will be taken by the grantee that prejudices the legal and administrative findings that the Federal Transit Administrator must make in order to approve a project.

d. Local funds expended pursuant to this pre-award authority will be eligible for reimbursement if FTA later makes a grant or interagency agreement for the project(s). Local funds expended by the

grantee prior to the April 5, 2010 public announcement will not be eligible for credit toward local match or reimbursement. Furthermore, the expenditure of local funds on activities such as land acquisition, demolition, or construction, prior to the completion of the NEPA process, would compromise FTA's ability to comply with Federal environmental laws and may render the project ineligible for FTA funding.

e. When a grant for the project is subsequently awarded, the Financial Status Report in TEAM-Web must indicate the use of pre-award authority, and the pre-award item in the project information section of TEAM should be marked "yes."

Reporting Requirements

All recipients must submit quarterly reports to FTA containing the following information:

(1) Narrative description of project(s); and,

(2) discussion of all budget and schedule changes.

The headquarters office for each Federal land management agency should collect a quarterly report for each of the projects delineated in the interagency agreement and then send these reports (preferably by e-mail) to Kimberly Sledge, FTA, kimberly.sledge@dot.gov; 1200 New Jersey Avenue, Washington, DC 20590. Examples can be found on the program Web site at <http://www.fta.dot.gov/atppl>. State and local governments will send this information to FTA for projects that are funded through grants to State and local governments rather than through the interagency agreement. The quarterly reports are due to FTA on the dates noted below:

Quarter	Covering	Due date
1st Quarter Report	October 1–December 31	January 31
2nd Quarter Report	January 1–March 31	April 30
3rd Quarter Report	April 1–June 30	July 31
4th Quarter Report	July 1–September 31	October 31

In order to allow FTA to compute aggregate program performance measures FTA requests that all recipients of funding for capital projects under the Paul S. Sarbanes Transit in Parks program submit the following information annually:

- Annual visitation to the land unit;
- Annual number of persons who use the alternative transportation system (ridership/usage);
- An estimate of the number of vehicle trips mitigated based on alternative transportation system usage and the typical number of passengers per vehicle;
- Cost per passenger; and,
- A note of any special services offered for those systems with higher costs per passenger but more amenities.

State and local government entities should submit this information as part of their fourth quarter report through FTA's TEAM grants management system.

Federal land management agencies should also send this information as

part of their fourth quarter report (preferably by e-mail), to Kimberly Sledge, FTA, kimberly.sledge@dot.gov; 1200 New Jersey Avenue, SE., E46–303, Washington, DC 20590. Examples can be found on the program Web site at <http://www.fta.dot.gov/atppl>.

Oversight

Recipients of FY 2009 Paul S. Sarbanes Transit in Parks program funds will be required to certify that they will comply with all applicable Federal and FTA programmatic requirements. FTA direct grantees will complete this certification as part of the annual Certification and Assurances package, and Federal Land Management Agency recipients will complete the certification by signing the interagency agreement. This certification is the basis for oversight reviews conducted by FTA.

The Secretary of Transportation and FTA have elected not to apply the triennial review requirements of 49 U.S.C. 5307(h)(2) to Paul S. Sarbanes

Transit in Parks program recipients that are other Federal agencies. Instead, working with the existing oversight systems at the Federal Land Management Agencies, FTA will perform periodic reviews of specific projects funded by the Paul S. Sarbanes Transit in Parks program. These reviews will ensure that projects meet the basic statutory, administrative, and regulatory requirements as stipulated by this notice and the certification. To the extent possible, these reviews will be coordinated with other reviews of the project. FTA direct grantees of Paul S. Sarbanes Transit in Parks program funds (State, local and tribal government entities) will be subject to all applicable triennial, State management, civil rights, and other reviews.

Issued in Washington, DC, this 4 day of May 2010.

Peter Rogoff,
Administrator.

BILLING CODE C

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket ID FMCSA-2010-0082]

Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of applications for exemptions; request for comments.

SUMMARY: FMCSA announces receipt of applications from 22 individuals for exemption from the vision requirement in the Federal Motor Carrier Safety Regulations. If granted, the exemptions would enable these individuals to qualify as drivers of commercial motor vehicles (CMVs) in interstate commerce without meeting the Federal vision standard.

DATES: Comments must be received on or before June 9, 2010.

ADDRESSES: You may submit comments bearing the Federal Docket Management System (FDMS) Docket ID FMCSA-2010-0082 using any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
- **Mail:** Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue, SE., West Building Ground Floor, Room W12-140, Washington, DC 20590-0001.
- **Hand Delivery:** West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.
- **Fax:** 1-202-493-2251.

Each submission must include the Agency name and the docket ID for this Notice. **Note:** that DOT posts all comments received without change to <http://www.regulations.gov>, including any personal information included in a comment. Please see the Privacy Act heading below.

Docket: For access to the docket to read background documents or comments, go to <http://www.regulations.gov> at any time or Room W12-140 on the ground level of the West Building, 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The FDMS is available 24 hours each day,

365 days each year. If you want acknowledgment that we received your comments, please include a self-addressed, stamped envelope or postcard or print the acknowledgement page that appears after submitting comments on-line.

Privacy Act: Anyone may search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or of the person signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19476). This information is also available at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Director, Medical Programs, (202) 366-4001, fmcamedical@dot.gov, FMCSA, Department of Transportation, 1200 New Jersey Avenue, SE., Room W64-224, Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." FMCSA can renew exemptions at the end of each 2-year period. The 22 individuals listed in this notice have each requested an exemption from the vision requirement in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce. Accordingly, the Agency will evaluate the qualifications of each applicant to determine whether granting an exemption will achieve the required level of safety mandated by statute.

Qualifications of Applicants

Clarke C. Boynton

Mr. Boynton, age 35, has had amblyopia in his left eye since childhood. The best corrected visual acuity in his right eye is 20/20 and in his left eye, 20/70. Following an examination in 2009, his ophthalmologist noted, "In my medical opinion, Mr. Clarke Boynton has sufficient vision to perform the driving tasks required to operate a commercial vehicle." Mr. Boynton reported that he has driven straight trucks for 14 years, accumulating 350,000 miles. He holds a Class B Commercial Driver's License (CDL) from Massachusetts. His driving

record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Clare H. Buxton

Mr. Buxton, 63, has had a prosthetic left eye since 1998. The best corrected visual acuity in his right eye is 20/25. Following an examination in 2009, his optometrist noted, "Clare has monocular vision right eye only, but in my opinion, can operate a commercial motor vehicle safely." Mr. Buxton reported that he has driven tractor-trailer combinations for 40 years, accumulating 5.2 million miles. He holds a Class A CDL from Michigan. His driving record for the last 3 years shows one crash, for which he was not cited, and no convictions for moving violations in a CMV.

Raul Charo

Mr. Charo, 50, has had open angle glaucoma in his right eye since 2006. The best corrected visual acuity in his right eye is 20/60 and in his left eye, 20/20. Following an examination in 2009, his ophthalmologist noted, "In my professional opinion, Mr. Charo has sufficient vision to perform the driving tasks required to operate a commercial vehicle." Mr. Charo reported that he has driven straight trucks for 22 years, accumulating 33,000 miles. He holds a Class A CDL from Illinois. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Lester M. Ellingson, Jr.

Mr. Ellingson, 66, has had choroidal melanoma in his left eye since 2000. The best corrected visual acuity in his right eye is 20/20 and in his left eye, 20/400. Following an examination in 2009, his optometrist noted, "In my opinion, Lester has sufficient vision to operate a commercial vehicle." Mr. Ellingson reported that he has driven straight trucks for 47 years, accumulating 235,000 miles, tractor-trailer combinations for 40 years, accumulating 960,000 miles and buses for 40 years, accumulating 20,000 miles. He holds a Class A CDL from North Dakota. His driving record for the last 3 years shows one crash and one conviction. His driving record for the last 3 years shows no crashes and one conviction for a moving violation, speeding in a CMV. He exceeded the speed limit by 10 mph.

Miguel H. Espinoza

Mr. Espinoza, 34, has had amblyopia in his left eye since 1989. The best corrected visual acuity in his right eye is 20/20 and in his left eye, 20/150. Following an examination in 2009, his optometrist noted, "He has more than
