FTA FISCAL YEAR 2015 CERTIFICATIONS AND ASSURANCES

PREFACE

Except as the Federal Transit Administration (FTA or We) determines otherwise in writing, before FTA may award Federal transit assistance (funding or funds) in the form of a Federal Grant, Cooperative Agreement, Loan, Line of credit, or Loan Guarantee to support a public transportation Project, an Authorized Representative (You) of the Project Sponsor (Applicant) must select certain Certifications and Assurances required by Federal law or regulation. Among other things, the Authorized Representative must be duly authorized by the Applicant to sign these Certifications and Assurances and bind its compliance. You, as your Applicant’s Authorized Representative, must select all Certifications and Assurances that your Applicant must provide to support its application(s) for FTA funding during Federal fiscal year (FY) 2015.

We request that you read each Certification and Assurance and select those that will apply to all Projects for which your Applicant might seek FTA funding. As required by Federal law and regulation, only if you select adequate Certifications and Assurances on your Applicant’s behalf, may FTA award Federal funding for its Project.

We have consolidated our Certifications and Assurances into twenty-four (24) Groups. At a minimum, you must select the Assurances in Group 01 on your Applicant’s behalf. If your Applicant requests more than $100,000 in Federal funding, you must also select the “Lobbying” Certification in Group 02, unless your Applicant is an Indian tribe, Indian organization, or a tribal organization. Depending on the nature of your Applicant and its Project, you may also need to select some Certifications and Assurances in Groups 03 through 24. Instead of selecting individual Groups of Certifications and Assurances, however, you may make a single selection that will encompass all twenty-four (24) Groups of Certifications and Assurances that apply to all our programs.

FTA, your Applicant, and you, as your Applicant’s Authorized Representative, understand and agree that not every provision of these twenty-four (24) Groups of Certifications and Assurances will apply to every Applicant or every Project FTA funds, even if you make a single selection encompassing all twenty-four (24) Groups. Nor will every provision of all Certifications and Assurances within a single Group apply if that provision does not apply to your Applicant or its Project. The type of Project and Applicant will determine which Certifications and Assurances apply.

Your Applicant is ultimately responsible for compliance with the Certifications and Assurances selected on its behalf that apply to its Project, itself, any Subrecipient, or any other Third Party Participant in its Project, except as FTA determines otherwise in writing. For this reason, we strongly encourage your Applicant to take appropriate measures, including, but not limited to, obtaining sufficient documentation from each Subrecipient and each Third Party Participant to assure the validity of the applicable Certifications and Assurances selected on behalf of your Applicant.
FTA FISCAL YEAR 2015 CERTIFICATIONS AND ASSURANCES

Except as FTA determines otherwise in writing, if your Applicant is a team, consortium, joint venture, or partnership, it understands and agrees that you must identify the activities each member will perform and the extent to which each will be responsible for compliance with the Certifications and Assurances that you select on its behalf, and whether the member will serve as a Recipient, Subrecipient, or Third Party Contractor.

It is important that your Applicant and you also understand that these Certifications and Assurances are pre-award requirements, generally imposed by Federal law or regulation, and do not include all Federal requirements that may apply to it or its Project. Our FTA Master Agreement for Federal FY 2015, MA(21), is available at [http://www.fta.dot.gov](http://www.fta.dot.gov), and contains a list of most of those requirements.

We expect you to submit your Applicant’s FY 2015 Certifications and Assurances and its applications for funding in TEAM-Web. You must be registered in TEAM-Web to submit the FTA FY 2015 Certifications and Assurances on its behalf. The TEAM-Web “Recipients” option at the “Cert’s & Assurances” tab of the “View/Modify Recipients” page contains fields for selecting among the twenty-four (24) Groups of Certifications and Assurances and a designated field for selecting all twenty-four (24) Groups of Certifications and Assurances. If FTA agrees that you cannot submit your Applicant’s FY 2015 Certifications and Assurances electronically, you must submit the Signature Pages at the end of this document, as FTA directs, marked to show the Groups of Certifications and Assurances that it is submitting.

Be aware that these Certifications and Assurances have been prepared in light of:

- FTA’s latest authorization legislation, Moving Ahead for Progress in the 21st Century Act (MAP-21), Pub. L. 112-141, June 6, 2012,
- FTA’s authorizing legislation in effect in FY 2012 or a previous fiscal year, except as superseded by MAP-21 cross-cutting requirements that apply,
- The Highway and Transportation Funding Act of 2014, Pub. L. 113-159, August 8, 2014, and

With certain exceptions, Projects financed in FY 2015 with funds appropriated or made available for FY 2012 or a previous fiscal year must be in compliance with the requirements for that type of Project in effect during the fiscal year for which the funding was derived, except as superseded by MAP-21 cross-cutting requirements that apply.

GROUP 01. REQUIRED CERTIFICATIONS AND ASSURANCES FOR EACH APPLICANT.

Before FTA may provide funding for your Applicant’s Project, in addition to any other Certifications and Assurances that you must select on your Applicant’s behalf, you must
FTA FISCAL YEAR 2015 CERTIFICATIONS AND ASSURANCES

also select the Certifications and Assurances in Group 01, except as FTA determines otherwise in writing.

Your Applicant is ultimately responsible for compliance with the Certifications and Assurances selected on its behalf that apply to its Project, itself, any Subrecipient, or any other Third Party Participant in its Project, except as FTA determines otherwise in writing. For this reason, we strongly encourage your Applicant to take appropriate measures, including, but not limited to, obtaining sufficient documentation from each Subrecipient and any other Third Party Participant to assure the validity of the applicable Certifications and Assurances selected on behalf of your Applicant.

Any provision of the Certifications and Assurances in Group 01 that does not apply will not be enforced.

3. It recognizes that Federal laws and regulations may be amended from time to time and those amendments may affect Project implementation,
4. It understands that Presidential executive orders and Federal guidance, including Federal policies and program guidance, may be issued concerning matters affecting it or its Project,
FTA FISCAL YEAR 2015 CERTIFICATIONS AND ASSURANCES

   a. In some instances, FTA has determined that Federal statutory or regulatory program and eligibility requirements for FY 2012 or a specific previous fiscal year, except as superseded by applicable MAP-21 cross-cutting requirements, apply to:
