## **REGION 10 BULLETIN NO: 09-47**

Subject: Transit ITS Regional Workshop

Program Area: Training

Date: September 1, 2009

The National Transit Institute (NTI) is pleased to announce a FREE course “**Transit Intelligent Transportation Systems (ITS) Regional Workshop**”, hosted by King County Metro Transit, (\$300 for consultants and contractors) scheduled for October 20-21, 2009 in Seattle, Washington.

The goal of this workshop is to increase awareness of ITS and how the transit core suite of technologies can be deployed to deliver safer and more efficient transit services. This is an introductory level workshop, geared for transit professionals including planners, engineers, and operations managers who will be involved in the planning, implementation and ongoing management of transit ITS applications.

If you are interested in attending, please use the following link <https://www.ntionline.com/CourseInfo.asp?CourseNumber=TRI-26> and register online. Seating is still available but limited for this course, so register now or fax your registration to 732-932-1707.

For further information, contact Region 10's Annette Le at (206) 220-4461 or email [annette.le@dot.gov](mailto:annette.le@dot.gov).

Sincerely,

*for*
