REGION 10 BULLETIN NO: 09-57

Subject: FY 2010 Certifications and Assurances

Program Area: Notice

Date: October 21, 2009

The Fiscal Year (FY) 2010 Certifications and Assurances (C&As) was published in the Federal Register on October 19, 2009. You may access the register on our web site <http://www.fta.dot.gov> under the Legislation, Regulations and Guidance topic.

The direct link to the Federal Register is <http://edocket.access.gpo.gov/2009/pdf/E9-24922.pdf>. The C&As are binding legal commitments for the applicant to comply with Federal law and regulations. The C&As apply to all FTA programs, including Tribal Transit and Over the Road grants. The twenty-four categories in the C&As may be needed for all projects that will be awarded to you in the Federal Fiscal Year (FFY) (October 2009-September 2010). If you only receive Tribal Transit grants, you need to check only items 1 and 22 out of the 24 possible. A 2010 C&A is required for a grant application that was started in FFY09 but will be awarded in FFY10.

The C&As execution is electronic through the Transportation Electronic Award and Management (TEAM) system. The 2010 C&As are currently in the TEAM system. The basic process is to check the boxes that apply to the funding sources you will be applying for in FFY10 and have the designated personnel sign electronically by entering their Personal Identification Number (PIN) in the C&A in TEAM. There are two approval actions needed to execute the C&As in TEAM, which are displayed as the Official's Name and the Attorney's Name. The Official MUST electronically sign by entering their PIN before or on the same day as the Attorney. If the Attorney electronically signs before the Official, we can not accept the C&A and you will need to electronically sign again.

To approve the Certifications and Assurances in the TEAM system:

1. Have your Official log into TEAM with their unique user name and password. This official will have been provided with a PIN Number, and the authority to use it.
2. Click Recipients to open the Query Recipients screen.
3. Enter your recipient ID, or all or part of your recipient name.
4. Click Submit Query to locate your record.

5. From the left menu, click View/Modify Recipient. This opens the Recipient record for editing.
6. Click on the third tab in the window, entitled “Cert's and Assurances.” Review each of the certifications under each category. The text is viewable under the yellow “Text” icon on the right.
7. For each category, you must check either Applicable or N/A.
8. In order to sign off on your selections, please have the Official enter their PIN number in the box at the bottom, and click the green CERTIFY button.
9. Once the Official has entered their PIN, he/she must exit TEAM and the Attorney must log on – following steps 1-6 above, with the Attorney’s individual user name and password and enter the Attorney PIN and again click on the CERTIFY button to complete the process.
10. If the Official has the rights to electronically sign as both Official and Attorney, once he/she enters the PIN, the process is completed.
