REGION 10 BULLETIN NO: 2010-39

Subject: Supplemental FY 2010 Apportionments, Allocations, and Corrections

Program Area: Notice

Date: May 18, 2010

The Hiring Incentives to Restore Employment Act, (Pub. L. 111-147), signed into the law by President Obama on March 18, 2010, authorized funds for all of the surface transportation programs of the U.S. Department of Transportation (DOT) for the remainder of the Fiscal Year (FY) ending September 30, 2010, and the first quarter of FY 2011. This Notice, <http://www.fta.dot.gov/documents/2010-11479.pdf>, supplements the February 18, 2009 Federal Register notice to apportion the full amount of FY 2010 formula funds.

Copies of the notice and the tables are posted on http://www.fta.dot.gov/funding/grants_financing_38.html. We have also published additional data that we used to calculate the apportionments on this page to better assist stakeholders that plan to sub-apportion their area's funds among multiple recipients.

Note: The versions of the Small Transit Intensive Cities (STIC) Table (Table 6) and the JARC Recoveries Table (Table 17) that was published in the Federal Register contained errors. We have posted the corrected versions of these tables as well as an errata notice at the above link on our web page. **Please refer to the online versions of these tables, rather than the Federal register notice, for the correct information.**

For general information about this notice contact Henrika Buchanan-Smith, Office of Program Management, at (202) 366-2053. Please contact Region 10's Pat Hendrix at (206) 220-4465 or email patricia.hendrix@dot.gov for any specific requests for information or technical assistance.

Sincerely,

R.F. Krochalis
