This course is an introductory course. It is intended for transit professionals whose current and/or future responsibilities include planning, managing, and executing all phases of a project’s lifecycle. Priority will be given to American Recovery and Reinvestment Act (ARRA) grantees, but seating is usually available for others. ***Recommended for ARRA Grantees unfamiliar with managing high profile construction projects!***

By the end of this course participants will be able to:

- Describe the major components of a well-defined project
- Explain the functionality of each phase of the project lifecycle and associated deliverables
- Create a Project Management Plan (PMP), including a Statement of Work (SOW) and Work Breakdown Structure (WBS)
- Identify methods to obtain reasonable project estimates to develop a realistic project schedule
- Use Earned Value to control and report a project’s status and evaluate the impact of potential changes on the PMP

Bulletin – NTI Additional Project Management for Transit Professionals Courses

- Recognize the relationship between leadership and teamwork development, as well as the importance of communicating to all stakeholders

**NOTE:** This course will not provide information on the administration of ARRA grants. Information on ARRA grants is available from the Federal Transit Administration (FTA) web site at [http://www.fta.dot.gov/index\\_9440.html](http://www.fta.dot.gov/index_9440.html).

If you are interested in attending, please follow this link <http://www.ntionline.com/CourseInfo.asp?CourseNumber=TRI23-50> to see detail course description and register on line.
