REGION 10 BULLETIN NO: 2010-71

Subject: TSI Transit Safety and Security Division Courses

Program Area: Safety and Security

Date: October 8, 2010

The Transit Safety and Security Division have released their course catalog for Fiscal Year (FY) October 1, 2010 – September 30, 2011. The schedule and course details can be viewed at <https://www.tsi.dot.gov/tsilms/classlisting.aspx>.

These are the courses currently listed for Region 10:

Substance Abuse Management and Program Compliance	Salem, OR	April 19-21, 2011
Reasonable Suspicion Determination for Supervisors Seminar	Salem, OR	April 22, 2011
Instructors Course in Bus Operator Training	Salem, OR	July 25-28, 2011

The Transit Safety and Security Division was established in 1976 in direct support of the Federal Transit Administration's (FTA) mission to provide economical, timely, state-of-the-art training and educational opportunities to the transit industry. The Division, housed within the Research and Innovative Technology Administration's (RITA) Transportation Safety Institute (TSI), serves as the primary training unit for FTA's Office of Transit Safety and Security. TSI courses equip transit personnel with high performance skills needed to effectively operate, maintain, and manage public transportation systems. Their mission is "to provide the transit industry with timely and professional training to better ensure that employees operate with high standards of safety and security while contributing toward a system of greater mobility for the American public."
