REGION 10 BULLETIN NO: 2010-84

Subject: Topic Guides on ADA Transportation Webinars

Program Area: Civil Rights Training

Date: November 18, 2010

The Topic Guides on Americans with Disabilities Act (ADA) Transportation, a series of technical assistance documents funded by the Federal Transit Administration (FTA) and developed by Disability Rights Education and Defense Fund (DREDF) and TranSystems Corporation, will be featured in a series of seven once-a-month webinars, one webinar on each Topic Guide. The webinar series will be coordinated by the Disability and Business Technical Assistance Center (DBTAC)-Great Lakes ADA Center and the DBTAC-Southwest ADA Center in collaboration with Easter Seals Project Accessible Community Transportation in Our Nation (ACTION).

Funded by FTA to provide technical assistance on transportation to transit agencies, riders, and advocates, the Topic Guides on ADA Transportation bring together the requirements of the Americans with Disabilities Act (ADA) and the Department of Transportation ADA regulations, FTA determinations, and best operational practices for ADA compliance. The Topic Guides also draw information from many other sources. The Topic Guides are available online at <http://dredf.org/ADAtg>.
