REGION 10 BULLETIN NO: 2011-18

Subject: NTI Advanced Seminar on Managing the Environmental Review Process Course

Program Area: Training

Date: April 21, 2011

The National Transit Institute (NTI) is presenting a FREE course "**Advanced Seminar on Managing the Environmental Review Process**" (\$295 for consultants and contractors) scheduled in Ft. Worth, Texas on May 11-12, 2011 and Lakewood, Colorado on June 16-17, 2011.

The goal of this seminar is to support the efficient and effective management of environmental processes in the development and construction of transit and multi-modal transportation projects by providing current information on federal requirements, identifying best practices, and facilitating the sharing of information and insight among advanced practitioners.

This is not an introductory course. It is intended for transportation professionals from transit agencies, metropolitan planning organizations, and departments of transportation with a minimum of three years experience in the environmental process relative to project development.

If you are interested in attending, please use the following link <http://nti.rutgers.edu/CourseInfo.asp?CourseNumber=TPE18-30> and register online. Seating is limited for this course, so register early.

For further information, please contact Region 10's Carrie Deichl at 206-220-4307, or email carrie.deichl@dot.gov.

Sincerely,

R.F. Krochalis
Regional Administrator
