REGION 10 BULLETIN NO: 2013-03

Subject: New Operations and Program Management Office Director for Region 10

Program Area: All

Date: January 16, 2013

After a nation-wide search, we are very pleased to announce the selection of Elaine Wine, as the new Operations and Program Management Office Director for the Federal Transit Administration (FTA) Region 10 office.

Elaine is a graduate of Lehigh University and is Registered Professional Architect in Washington State. She spent two years in FTA Region 10 as an American Recovery and Reinvestment Act (ARRA) Transportation Program Specialist working on a TriMet Transportation Investment Generating Economic Recovery (TIGER) I project and Oregon Department of Transportation's Talgo Train Procurement as well as other triennial and financial management oversight reviews.

Previously Elaine was a project architect with Zimmer Gunsul Frasca Partnership for private clients such as Microsoft and a project manager for a variety of private developers of commercial buildings including the Seattle Seahawks Headquarters and stadium. In her spare time, she participates as a member of the City of Seattle's Landmarks Preservation Board and as a member of the Alaska Way Viaduct North Portal Working Group.

Included with this bulletin is our latest realignment of our staff organization. The most recent version of our organizational chart will always be available on our web site http://www.fta.dot.gov/12926_region10.html under Region 10's profile on the right-hand side.

Please join me in welcoming back Elaine to FTA. For further information, contact Region 10's main line at 206-220-7954 and you will be transferred to the proper individual.

Sincerely,

R.F. Krochalis
Regional Administrator
