REGION 10 BULLETIN NO: 2014-24

Subject: Real Estate Workshop

Date: April 16, 2014

The Federal Transit Administration (FTA) is offering a free course, **“FTA Real Estate Workshop”**, on May 19-21, 2014 at the Federal Highway Administration (FHWA)/National Highway Institute (NHI) Training and Conference Facility in Arlington, Virginia.

The Real Estate Workshop is intended to help grantees and project sponsors to become more knowledgeable in how to comply with federal requirements. It is also a venue in which grantees can share their practices with other grantees/project sponsors. Regional staff can learn more about real estate requirements and contribute to the real estate process discussion from the regional point of view.

This course is intended for grantees, project sponsors and anyone planning on buying real property where there are federal dollars invested in the project. Also, regional staff who want to learn more about FTA real estate requirements can benefit from attending.
