REGION 10 BULLETIN NO: 2014-33

Subject: New Operations and Program Management Director for Region 10

Date: July 23, 2014

After a nation-wide search, we are very pleased to announce the selection of Susan Fletcher, as the new Operations and Program Management Office Director for the Federal Transit Administration (FTA) Region 10 office.

Susan has been a Regional Engineer with FTA for the last five years managing the oversight of Sound Transit's light rail expansion capital projects, including the Full Funding Grant Agreement (FFGA) for University Link and the Transportation Infrastructure Finance and Innovation Act (TIFIA) loan for East Link. Susan also works with our State Safety Oversight agencies and has been active in assisting them meet FTA's new safety requirements. She came to us from the Washington State Department of Transportation where she worked on a variety of engineering assignments, primarily with the Washington State Ferries. She is a graduate of Seattle University and is a registered Professional Engineer with the State of Washington. In her spare time, Susan enjoys riding her bike, gardening, training her dogs for agility trials and keeping up with her daughter's many activities.

Included with this bulletin is our latest realignment of our staff organization. The most recent version of our organizational chart will always be available on our web site http://www.fta.dot.gov/12926_region10.html under Region 10's profile on the right-hand side.

Please join me in congratulating Susan on her promotion. For further information, contact Region 10's main line at 206-220-7954.

Sincerely,

for R.F. Krochalis
Regional Administrator
