REGION 10 BULLETIN NO: 2014-36

Subject: TrAMS Training Coming Soon

Date: August 7, 2014

The Federal Transit Administration (FTA) will be offering hands-on and “basic 101” training sessions on FTA’s future Transit Award Management System (TrAMS) during the week of December 8, 2014 in Seattle. This new system will replace our Transportation Electronic Award Management (TEAM) system later in Fiscal Year (FY) 2015.

The target audience for this training is current FTA grantees, specifically those individuals in your respective agency who work with TEAM, and those responsible for the day-to-day activities to develop and manage FTA grants or cooperative agreements.

Topics to be covered will include a general orientation of TrAMS, the differences between TEAM and TrAMS, applications, reporting requirements and more. Announcements about the specific dates and how to register will be coming soon. To keep up to date about TrAMS developments, please sign up for alerts by visiting FTA's website at <http://www.fta.dot.gov/TrAMS>.

Please contact Marci Malaster, 202-366-3510, or email marci.malister@dot.gov on questions concerning the TrAMS training.

For further information, please contact Region 10’s Amy Changchien at 206-220-4464 or email amy.changchien@dot.gov.

Sincerely,

R.F. Krochalis
Regional Administrator
