Date: October 27, 2014

On October 24, 2014, the Federal Transit Administration (FTA) published a revised Notice of Funding Availability (NOFA) for the Innovative Public Transportation Workforce Development Program Ladders of Opportunity Initiative. FTA will make approximately \$9 million available for these grants. This NOFA solicits proposals that promote innovative and significant public transportation workforce development programs that invest in America's economic growth and help build ladders of opportunity into the middle class for American workers.

**Complete proposals are due by 11:59 p.m. Eastern Time on December 23, 2014.**

All proposals must be submitted electronically through the GRANTS.GOV "APPLY" function at <http://www.grants.gov>. All entities intending to apply should register on the GRANTS.GOV Web site immediately to ensure completion of registration before the submission deadline. Instructions for applying can be found in the Federal Register, located at <http://www.gpo.gov/fdsys/pkg/FR-2014-10-24/pdf/2014-25310.pdf> and in the "FIND" module of GRANTS.GOV.
