Authorized Funding Levels

Growing States Funding Levels
- FY 2016 - $272,297,083
- FY 2017 - $279,129,510
- FY 2018 - $286,132,747
- FY 2019 - $293,311,066
- FY 2020 - $300,668,843

High Density Funding Levels
- FY 2016 - $263,964,457
- FY 2017 - $265,304,279
- FY 2018 - $266,650,800
- FY 2019 - $268,004,054
- FY 2020 - $269,364,074

Appropriated Amount ($)

Growing States

High-Density States
(7) States > 370 ppsm

$$\frac{\text{Total State Population} - (\text{Land Area x 370 ppsm x States UZA Population})}{\text{Total State Population}}$$
$$\overline{\sum \text{ of Numerator above for all 7 States}}$$

2025 Projection=
(apportionment year population-2010 Census population) x Number of Years between Apportionment Year & 2025) + 2010 Census Population

State Share=
State Population 2025/All States Population 2025

MA | MD | NJ | RI | NY | CT | DE

Urbanized Portion of each State's Share =
% of States Population residing in UZAs

Non-urbanized Portion of each State's Share =
% of State Population non-UZAs

Individual UZA Share =
Population in UZA/
Population of all UZAs in the state

Added to
5311 Apportionment

Added to
5307 Apportionment

Individual UZA Share =
UZA Population/
Population of all UZAs in the State
