TRANSIT AGENCY INFORMATION – EVACUATION AND OTHER ASSISTANCE		
CATEGORY	AGENCY	DESCRIPTION
EVACUATION SUPPORT:	Bay County, FL	10/9, working closely with local Emergency Management Center to assist with transportation of residents to shelters as needed. Fixed route system will be available to assist with the transportation of First Responders and National Guard. 10/13: FDOT reports they and Bay County are working to get drivers to assist in search and rescue, using Bay County buses.
	Big Bend Transit, FL (subrecipient)	10/9, responded to a State EOC mission request to transport 105 elderly and special needs clients from Cross Care Nursing Home in Port St. Joe. The residents were moved to facilities in Greenville, Monticello, and Jacksonville. 10/10, continued shelter transportation.
	Baker County Transit COA, FL (subrecipient)	10/10, Baker County continued to transport dialysis patients. Drivers remained on standby for any additional local evacuations.
	Levy County Transit, FL (subrecipient)	10/11, regular operations continued; residents returning from shelters.
	Craven Area Rural Transit System (CARTS), Craven County, NC	10/11, CARTS assisting shelters with evacuees affected by Michael.
	High Point Transit, High Point, NC	10/12, in the evening of 10/11, High Point Transit provided evacuating assistance requested from the High Point Police

		Department. They transported 2 ambulatory and 1 individual in a wheelchair to the Red Cross shelter set up at the Glenwood Recreation Center in Greensboro.
	Florida Department of Transportation (FDOT), Tallahassee, FL	10/12, FDOT is using their resources to provide transit and may ask other operators in the state to assist. As of 10/12, there are no immediate requests for FTA.
OTHER EXTERNAL ASSISTANCE:		

TRANSIT AGENCY INFORMATION – OPERATIONS		
CATEGORY	AGENCY	DESCRIPTION
OPERATIONAL STATUS/RESTRICTIONS:	Bay County, FL	10/12, Most roads in the county are blocked and cell service is unavailable. When the roadways are safe FDOT will go in to evaluate the damage and provide the agency with a satellite phone, if required.
	Calhoun County, FL (Subrecipient)	10/14, Agency is closed, and it is unclear when they will be re-opened. Damage assessment underway.
	City of Tallahassee/Star Metro, FL	10/12, Normal operations resumed with the exception of service for Florida State University. The campus is closed until Monday, 10/15.
	Gulf County Association for Retarded Citizens (ARC), FL (Subrecipient)	10/13: FDOT reports that ARC estimates they will be closed for 3-weeks at a minimum.
	Jackson County Transportation, Inc. Of Florida (JTRANS) (Subrecipient)	10/12, Agency intends to resume operations Monday 10/15/2018 for dialysis trips.
	Albany Transit, GA (Subrecipient)	10/12, Only paratransit for dialysis and medical is running
	Charlotte Area Transit System (CATS), Charlotte, NC	10/15 Bus Bridge remains in place along the LYNX Blue Line from New Bern Station to 36th Street Stations. Buses are operating every 20 minutes. 10/11. Gold Line service has been re-opened 10/11 Both Blue Line service and Gold Line service were suspended due to damage caused by the weather on the morning of. Bus service is fully operational.
	Florida Department of Transportation (FDOT), Tallahassee, FL	Per FDOT, the remaining transit agencies closed in Florida are all providing emergency services where they can. Roads are

		currently impassable. As roads clear they are trying to reach critical care clients. FDOT is working with them to bring in additional drivers to move people found by search and rescue teams.
	Georgia Department of Transportation (GDOT), Atlanta, GA	10/15: GDOT will be able to provide a transit operations status of transit agencies by the afternoon of 10/15. Per GDOT, remaining transit agencies closed in Southwest GA are not operating due to safety reasons; roads are still closed until debris is removed. Power outages are impacting availability of gas, as well as impacting dispatching. There is also gas shortages for those operators in Southwest, GA and impacting their ability to refuel. Lastly, many of the rural providers do not offer weekend services.
ALTERNATIVE TRANSPORTATION IMPLEMENTED:	Charlotte Area Transit System (CATS), Charlotte, NC	10/15 Bus Bridge remains in place along the LYNX Blue Line from New Bern Station to 36th Street Stations. Buses are operating every 20 minutes.
ESTIMATED SERVICE RESTORATION:		

TRANSIT AGENCY INFORMATION – IMPACTS		
CATEGORY	AGENCY	DESCRIPTION
FATALITIES:		
SERIOUS INJURIES:		
PROPERTY DAMAGE:	Bay County, FL	10/13: FDOT reports damage to Bay County's new facility. Bus fleet appears ok
	Gulf County Association for Retarded Citizens (ARC), FL (Subrecipient)	10/13: FDOT reports minor damage to ARC's facility and a broken windshield on one of the buses.
	Liberty County Transit, FL (subrecipient)	10/12, the agency received damage. Details to be assessed.
	Florida Department of Transportation (FDOT), Tallahassee, FL	10/15: FDOT's Damage Asset Teams are working to report roadway damages, bridges, and roads. 10/13: FDOT reports that rural systems in Gulf, Franklin, Jackson, Liberty, and Calhoun counties "took pretty hard hits" and while everyone is okay, damage is being assessed.
	Charlotte Area Transit System (CATS), Charlotte, NC	10/11, Blue Line train service suspended due to a tree falling on tracks and the overhead

		catenary collector system (OCS) lines are down. CATS established a bus bridge to support Blue Line suspension. Damage will take approximately 4 days to repair and return to normal service.
