PREFACE

Statutory Authorities

This is the official Federal Transit Administration (FTA) Master Agreement that applies to each Underlying Agreement (Grant Agreement, Cooperative Agreement, Loan, Loan Guarantee, or Line of Credit) for a specific Award authorized by:

1. Federal transit laws, 49 U.S.C. chapter 53, as amended, including the following:
 - a. The Fixing America's Surface Transportation (FAST) Act, Public Law No. 114-94, December 4, 2015, and other authorizing legislation that may be enacted,
 - b. The Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law No. 112-141, July 6, 2012, as amended by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015, Public Law No. 114-41, July 31, 2015, and
 - c. The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Public Law No. 109-59, August 10, 2005, as amended by the SAFETEA-LU Technical Corrections Act of 2008, Public Law No 110-244, June 6, 2008.
2. Continuing Resolutions or Other Appropriations Resolutions or Acts funding the Department of Transportation during Fiscal Year 2018.
3. Title 23, United States Code (Highways).
4. Other federal legislation that FTA administers, as FTA so determines.

Purpose of this Master Agreement

This FTA Master Agreement contains the standard terms and conditions that apply to the Underlying Agreement with the Recipient, which Underlying Agreement may take the form of an:

1. FTA Grant Agreement, including an FTA Grant Agreement for an award of federal assistance under the Tribal Transit Program,
2. FTA Cooperative Agreement, or
3. FTA Transportation Infrastructure Finance Innovation Act (TIFIA) Loan, Loan Guarantee, Line of Credit, Master Credit Agreement, or State Infrastructure Bank (SIB) Cooperative Agreement.

THEREFORE, in consideration of the mutual covenants, promises, and representations herein, FTA and the Recipient agree as follows:

GENERALLY APPLICABLE PROVISIONS

Section 1. Terms of this Master Agreement and Compliance

- a. The Recipient must comply with all applicable federal laws, regulations, and requirements, and should follow applicable federal guidance, except as FTA determines otherwise in writing.
- b. To assure compliance with federal laws, regulations, and requirements, the Recipient must take measures to assure that other participants in its Underlying Agreements (*e.g.*, Third Party Participants) comply with applicable federal laws, regulations, and requirements, and follow applicable federal guidance, except as FTA determines otherwise in writing.
- c. FTA may take enforcement action if the Recipient or a Third Party Participant violates an applicable federal law, regulation, or requirement, or does not follow applicable federal guidance.
- d. FTA and the Recipient agree that not every provision of this Master Agreement will apply to every Recipient or Underlying Agreement.
 - (1) FTA has divided this Master Agreement into the “Preface,” “Generally Applicable Provisions,” and “Special Provisions for Specific Programs.”
 - (2) This Master Agreement has an Appendix A illustrating the specific provisions of this Master Agreement that apply to the Tribal Transit Programs.
 - (3) Criteria determining which federal laws, regulations, requirements, and guidance apply include the type of Award, the federal law authorizing federal assistance for the Award, the federal law, regulations, or requirements governing how the Award must be implemented, the federal guidance pertaining to the Award, and the Recipient’s legal status as a “state,” “state instrumentality,” a “local government,” a federally recognized Indian Tribe (Indian Tribe), a “private nonprofit entity,” a “private for-profit entity,” or an individual.
- e. As provided in federal laws, regulations, requirements, and guidance, FTA will enforce only those federal laws, regulations, requirements, and guidance that apply to the specific FTA Recipient, its Third Party Participants, or to any Project and related activities encompassed in the Award, the accompanying Underlying Agreement, and any Amendments thereto.
- f. Each provision of this Master Agreement must be interpreted in context with all other provisions of this Master Agreement and the Underlying Agreement. If a single provision is read apart from the rest of this Master Agreement or the Underlying Agreement, that provision might not convey the extent of the Recipient’s responsibility to comply with the requirements of this Master Agreement and the Underlying Agreement.

- g. This Master Agreement does not have an Expiration Date. This Master Agreement continues to apply to the Recipient and its Underlying Agreement, until modified or superseded by a more recently enacted or issued applicable federal law, regulation, requirement, or guidance, or Amendment to this Master Agreement or the Underlying Agreement.

Section 2. Definitions.

- a. List of Definitions. In addition to the definitions provided in 49 U.S.C. § 5302, as amended, or in previous legislation if circumstances may require, the Recipient agrees that the following definitions apply:

Approval does not mean permission to take or omit a similar action other than the specific action for which approval was given and does not include an oral permission or interpretation, which has no legal force, authority, or effect. (40) *Underlying Agreement* means a specific Grant Agreement, Cooperative Agreement, Other Agreement, or Master Credit Agreement, including any amendments thereto, supported with federal assistance appropriated or made available under the authorized program.

(41) *Unique Entity Identifier* has two meanings:

- (a) A Recipient's or a Subrecipient's unique entity identifier for purposes of the "System of Award Management" (SAM), which currently is the DUNS Number, but,
- (b) For FTA purposes, FTA assigns a separate Recipient/Vendor ID as a "unique entity identifier," which is a four-digit number and is displayed on the Grant Agreement and the Cooperative Agreement following the heading "Recipient ID."

(42) *Waiver* has the same meaning as the definition of *Approval* in this section of this Master Agreement.

- b. Application of Definitions. The Recipient also agrees that the definitions in section 2.a above apply throughout this Master Agreement.

Section 3. Implementation.

- a. Effective Date. The Effective Date of Recipient's Underlying Agreement is the date when the authorized FTA official signs the Underlying Agreement.
- b. Description of Each Project. The "Description of Each Project" in the "Executive Summary" of the "FTA Award" section of the Recipient's Underlying Agreement often provides only a brief description of each Project and related activities to be undertaken by the Recipient; therefore, the Recipient agrees to perform the work described in the terms of its Underlying Agreement, including all the documents and information incorporated by reference and made part of that Underlying Agreement.
- c. Prompt Implementation. After receiving notice that the FTA official signed the Underlying Agreement, the Recipient agrees to undertake promptly each Project and related activities described in the Underlying Agreement.
- d. Completion Dates. The Recipient agrees to complete each Project within the time periods specified in the Underlying Agreement and all activities must be completed by the Award's end date, unless FTA agrees in writing to extend the end date. Unless FTA determines otherwise in writing, interim milestone dates and other completion dates applicable to the Award are good faith estimates and are not intended to be firm contractual requirements.

However, FTA and the Recipient agree that milestone dates and other completion dates for Full Funding Grant Agreements, Small Starts Grant Agreements or other specific agreements in which FTA expressly states that the milestone dates or other completion dates for the Underlying Agreement are firm dates that may be enforced.

- e. The Recipient's Capacity. To carry out its Underlying Agreement, the Recipient agrees to maintain:
- (1) Sufficient legal, financial, technical, and managerial capacity, and adequate functional capacity to:
 - (a) Plan, manage, and complete its responsibilities outlined in the Underlying Agreement,
 - (b) Use the Project property,
 - (c) Carry out the safety and security aspects of the Underlying Agreement,
 - (d) Comply with the terms and conditions of the Underlying Agreement, the Recipient's annual Certifications and Assurances to FTA, and applicable federal laws, regulations, and requirements, and
 - (e) Follow applicable federal guidance, except as the Federal Government determines otherwise in writing.
 - (2) Strong internal controls to assure that it is managing its Award in compliance with federal laws, regulations, requirements, and the terms and conditions of the Underlying Agreement including, but not limited to:
 - (a) Amendments or revisions to its Award Budget,
 - (b) Salaries and wages of the Recipient's and Subrecipient's personnel,
 - (c) Protection of personally identifiable information and other sensitive information, and
 - (d) Other matters that must be in compliance with federal laws, regulations, requirements, and the terms and conditions of the Underlying Agreement.
- f. U.S. DOT Administrative Requirements. The Recipient agrees to comply with the following U.S. DOT regulations (Common Rules) to the extent applicable:
- (1) Requirements Applicable On or After December 26, 2014. The following requirements apply to the Award, the accompanying Underlying Agreement, and any Amendments thereto signed by an authorized FTA official on or after December 26, 2014 as follows:
 - (a) U.S. DOT regulations, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 2 C.F.R. part 1201, which incorporates by reference U.S. OMB regulatory guidance, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 2 C.F.R. part 200, and which applies to an Award, the accompanying Underlying Agreement, and any Amendments to any Underlying Agreement with a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization, and
 - (b) Except as FTA determines otherwise in writing, U.S. DOT regulations, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 2 C.F.R. part 1201, and subparts A through E of U.S. OMB regulatory guidance, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 2 C.F.R. part 200, apply to a private for-

profit entity; notably, the Cost Principles of part 31 of the Federal Acquisition Regulation, which permits the payment of profits or fees for work under procurement contracts, generally will not apply to private for-profit entities.

- (2) Requirements Applicable Before December 26, 2014. The following requirements apply to the Award, the accompanying Underlying Agreement, and any Amendments thereto signed by an authorized FTA official before December 26, 2014 as follows:
- (a) For a state, local government, or Indian tribal government, U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” former 49 C.F.R. part 18,
 - (b) For an institution of higher education or a nonprofit organization, U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” former 49 C.F.R. part 19, or
 - (c) For a private for-profit organization, U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations,” former 49 C.F.R. part 19.

g. Application of Federal, State, and Local Laws, Regulations, Requirements, and Guidance. The Recipient agrees to comply with all applicable federal requirements and follow applicable federal guidance. All standards or limits are minimum requirements when those standards or limits are included in the Recipient’s Underlying Agreement or this Master Agreement. At the time the FTA official awards federal assistance to the Recipient in support of the Underlying Agreement, the federal requirements and guidance that apply then may be modified from time to time, and will apply to the Recipient or the accompanying Underlying Agreement, except as FTA determines otherwise in writing.

h. The Recipient’s Responsibility to Comply with Federal Requirements. Irrespective of involvement by any other entity in the Underlying Agreement:

- (1) General. The Recipient agrees to comply with all federal requirements that apply to itself and the Underlying Agreement.
- (2) Primary Responsibility for Compliance.
 - (a) The Recipient, as the Direct Recipient of federal assistance, agrees that it is ultimately responsible for full compliance with federal requirements related to itself, its Award, the accompanying Underlying Agreement, and any Amendments thereto, even though:
 - 1 A Third Party Participant provides property or services to support a Project or related activities implementing the Award, the accompanying Underlying Agreement, any Amendments thereto, or
 - 2 Another entity or person is involved with the Award, the accompanying Underlying Agreement, or any Amendments thereto.
 - (b) FTA and the Recipient agree that if FTA makes an Award to a Recipient other than the Designated Recipient as defined under 49 U.S.C. § 5302, the Designated Recipient is not a party to the Award or the Underlying Agreement and is not responsible for compliance with federal requirements related to the Underlying Agreement. However, if FTA makes an Award to a Designated Recipient, then

that Designated Recipient is responsible for compliance with federal requirements related to its Underlying Agreement. FTA and the Recipient further agree to the terms of the Designated Recipient's Split Letter, Suballocation Letter, or Government Subapportionment Letter attached in TrAMS, including the amounts allocated by the Designated Recipient to each Direct Recipient, and the commitment to comply with the associated transit improvement requirement as stated in that letter.

- (c) Apart from other oversight and reviews FTA may conduct, the Recipient agrees that FTA is expressly authorized to conduct oversight of the Recipient's and its Subrecipients' compliance with federal requirements for safety and security, procurement (including Buy America requirements), management, and finance.

i. The Recipient's Responsibility to Extend Federal Requirements to Third Party Participants.

In certain circumstances, the Recipient's compliance with specific federal requirements depends on compliance by its Third Party Participant(s) with those federal requirements, and therefore:

- (1) General. The Recipient agrees to ensure that its Third Party Participant(s) will comply with applicable federal requirements, and follow applicable federal guidance.
- (2) The Recipient as a "Pass-Through" Entity. If the Recipient is providing a subaward to a Subrecipient to carry out all or part of its Award, the Recipient agrees to obtain the agreement of each Subrecipient to comply with U.S. DOT's administrative requirements, as set forth above.
- (3) Performance of the Recipient's Responsibilities. If a Third Party Participant is expected to fulfill any responsibilities typically performed by the Recipient, the Recipient agrees to ensure that the Third Party Participant will carry out the Recipient's responsibilities in compliance with federal requirements, and provide enough information to each Third Party Participant so that it understands that it will be expected to follow federal guidance.
- (4) Risk. As provided in 2 C.F.R. part 1201, which incorporates by reference 2 C.F.R. part 200, the Recipient agrees to evaluate the risk involved before awarding a subagreement to any entity.
- (5) Third Party Agreements. To comply with federal requirements, the Recipient agrees to enter into a written Third Party Agreement with each Third Party Participant in its Underlying Agreement and must include all appropriate provisions stating the Third Party Participant's responsibilities to assure the Recipient's capability to comply with applicable federal requirements and guidance and specifying the responsibilities that the Third Party Participant will fulfill on the Recipient's behalf.
- (6) Notice to Third Party Participants. The Recipient agrees to include notice in each Third Party Agreement that:

 - (b) Applicable changes to those federal requirements will apply to each Third Party Agreement and parties thereto at any tier.

- j. Changed Circumstances. The Recipient agrees that changed circumstances may occur that may impact the Recipient's ability to comply with the terms and conditions of the Underlying Agreement.

- (1) The Federal Government does not and shall not have any commitment or liability related to the Underlying Agreement, to any Third Party Participant at any tier, or to any other person or entity that is not a party (FTA or the Recipient) to the Underlying Agreement, and
 - (2) Notwithstanding that the Federal Government may have concurred in or approved any Solicitation or Third Party Agreement at any tier that may affect the Underlying Agreement, the Federal Government does not and shall not have any commitment or liability to any Third Party Participant or other entity or person that is not a party (FTA or the Recipient) to the Underlying Agreement.

 - 1 Has violated a prohibition described above in section 4.g(4)(a) of this Master Agreement, or
 - 2 Has an employee whose conduct is determined to have violated a prohibition described above in section 4.g(4)(a) of this Master Agreement because that employee's conduct is either:
 - a Associated with the performance of the Recipient's Underlying Agreement, or
 - b Imputed to the Recipient or Subrecipient using the standards of due process for conduct of an individual to an organization provided in:

The Recipient agrees that FTA's right to terminate federal assistance as provided in the TVPA and in sections 4.g(4)(b) and 4.g(5) are in addition to all other remedies for noncompliance available to the Federal Government under this Master Agreement.

Section 5. Federal Assistance.

- a. Total Federal Assistance Awarded and Obligated. The Recipient agrees that FTA's responsibility to provide federal assistance for its Underlying Agreement is up to the amount shown in the Underlying Agreement, as modified by any Amendments thereto, which is equal to the smallest of: (1) the maximum amount permitted by federal law or regulation, or (2) the "Total FTA Amount Awarded and Obligated," as stated in the Underlying Agreement. FTA's responsibility to provide federal assistance is limited to the amounts listed in the most recent Award Budget identified in the Underlying Agreement and may not exceed the federal share of the actual eligible expenses incurred for participation in the Award.
- b. Basis of Federal Assistance. The Recipient agrees that the "Total FTA Amount Awarded and Obligated" stated in the Underlying Agreement and modified by any Amendments thereto is calculated based on the Net Project Cost or on another basis as set forth below:
- (1) "Net Project Cost". The Recipient agrees that if federal law or regulation requires an Underlying Agreement to be financed based on its "Net Project Cost," as defined in 49 U.S.C. § 5302:
- (a) FTA will provide federal assistance for a percentage of the portion of the "Total Award Budget" that the Recipient cannot reasonably finance from its revenues, which is the "Net Project Cost,"
- (b) FTA will use the amount of the "Total Award Budget" stated on the Underlying Agreement to calculate the "Total FTA Amount Awarded and Obligated," and
- (c) In TrAMS, the amount stated as the "Total Award Budget" on the Underlying Agreement is actually the "Net Project Cost," as defined in 49 U.S.C. § 5302.

- (2) Other Basis for FTA Participation. The Recipient agrees that if federal law or FTA permits an Underlying Agreement to be financed on a basis other than its “Net Project Cost,” as defined in 49 U.S.C. § 5302, or under previous authorizing legislation:
 - (a) FTA will provide federal assistance for all or part of the cost of the Underlying Agreement that is eligible for federal assistance,
 - (b) In some instances, FTA has discretion to determine the amount of federal assistance to provide for each specific Project or related activities, and
 - (c) FTA will use the amount stated in the Underlying Agreement as the “Total Award Budget” to calculate the “Total FTA Amount Awarded and Obligated.”
- c. Award Budget. The Recipient agrees to prepare an Award Budget that, after FTA has provided its approval, will be incorporated by reference and made part of the Underlying Agreement.
 - (1) Restrictions. The Recipient agrees that it will not incur costs eligible for FTA participation under the Award or withdraw federal assistance for eligible costs incurred unless those costs are consistent with the Award Budget.
 - (2) Amendments to the Award Budget. To the extent specified in applicable FTA program management guidance, the Recipient agrees that it must obtain prior FTA approval in writing before amending its Award Budget or transferring federal assistance for the Award if the transfer is not expressly authorized by federal law, regulation, or guidance. An Award of additional federal assistance will require an amended Award Budget.
 - (3) Revisions to the Award Budget. To the extent specified in applicable FTA program management guidance, the Recipient may revise the Award Budget without prior FTA written approval. The Recipient agrees that all other Award Budget revisions will require prior FTA approval in writing.
 - (4) Unexpended Federal Assistance. The Recipient agrees to inform FTA promptly if it believes it will have unexpended federal assistance after the period of performance for the Award ends.

Section 6. Non-Federal Share.

- a. Amount. The Recipient agrees to provide the amount of non-federal share specified in the Underlying Agreement. Except to the extent that FTA has provided its written consent permitting the Recipient to defer payment of the non-federal share required by the Underlying Agreement, the Recipient agrees to provide its proportionate amount of the non-federal share no later than the time it draws down the federal share to pay eligible costs.
- b. Duty to Obtain. The Recipient agrees to complete all proceedings necessary to provide the non-federal share and to notify FTA of any changed circumstances adversely affecting its ability to pay the non-federal share, including a description of the actions it has taken or will take to ensure adequate resources to provide the non-federal share, and a re-affirmation of its commitment to provide the non-federal share.
- c. Permissible Sources. The Recipient agrees that the following are permissible sources of the non-federal share for the Award:
 - (1) Undistributed cash surpluses,

- (2) A replacement or depreciation cash fund or reserve, and
 - (3) New capital.
- d. Restricted Sources. Because sources of non-federal share differ among FTA's public transportation assistance programs, FTA will specify in an FTA circular or otherwise whether the following sources may be used as the non-federal share for a specific Award under that program:
- (1) Program income generated by a Project or related activities supported by a prior Grant or Cooperative Agreement, which is a form of undistributed cash surplus,
 - (2) Advertising revenues,
 - (3) Concession revenues,
 - (4) Revenues from a service agreement from a state or local social service agency or a private social service organization,
 - (5) Third party in-kind contributions,
 - (6) Proceeds from the issuance of revenue bonds pursuant 49 U.S.C. § 5323(e),
 - (7) Transportation development credits (formerly toll revenue credits) pursuant to 23 U.S.C. § 120(i),
 - (8) Revenue from Value Capture pursuant to 49 U.S.C. § 5323(s),
 - (9) Federal assistance made available for the Federal Lands Highway Program authorized under 23 U.S.C. § 204, or
 - (10) Federal assistance derived from other federal programs whose enabling laws permit their funds to be used as the non-federal share.
- e. Prohibited Sources. Except as permitted by federal laws, regulations, requirements, or guidance, or approved in writing by FTA, the Recipient agrees that it will not provide any non-federal share for the Underlying Agreement derived from:
- (1) Farebox revenues from providing public transportation services using facilities and equipment acquired with federal assistance for the Award,
 - (2) Program income derived from the use of facilities or equipment acquired with federal assistance for the Award, except if expressly permitted by federal laws, regulations, requirements, or FTA guidance, or
 - (3) Other federal funds not authorized for use as non-federal share by federal law, regulation, requirements, or guidance.
- f. Reductions or Refunds.
- (1) Reductions. The Recipient agrees that if it reduces the non-federal share of eligible costs required for the Award, then at the same time it must reduce the proportionate amount of federal assistance for the Award.
 - (2) Refunds. The Recipient agrees that if it accepts a refund of the non-federal share of eligible costs provided through the Underlying Agreement, then at the same time it must provide the Federal Government an amount of that refund proportionate to the federal contribution.

Section 7. Payments to the Recipient.

- a. Conditions for Accessing Federal Assistance. To seek or obtain federal assistance for the costs of implementing the Award, the Recipient agrees that:
- (1) It must execute the Underlying Agreement and any Amendments thereto,
 - (2) It must receive and file a properly signed document seeking payment for the expense, such as a voucher or other appropriate record, and a properly detailed description of the relationship of the expense to the Award,
 - (3) It must identify all sources of federal assistance from which the payment is derived,
 - (4) It must provide FTA with all financial and progress reports required to date, and
 - (5) If the Recipient must provide a non-federal share, unless FTA has stated otherwise in writing that the Recipient may defer the non-federal share:
 - (a) The Recipient will not request or obtain more federal assistance than justified by the eligible non-federal share it has provided,
 - (b) The Recipient will not cause the proportion of federal assistance available for the Award at any time to exceed the percentage of federal assistance authorized and documented in the Underlying Agreement, and
 - (c) When combined with federal payments, the Recipient will be able to demonstrate that the non-federal share will be adequate to cover all eligible costs incurred in support of the Award.
- b. Eligible Costs. Except as the Federal Government determines otherwise in writing, the Recipient agrees, and will obtain the agreement of each Subrecipient, to seek and obtain federal assistance only for the eligible costs of the Award that are:
- (1) Consistent with the Description of Each Project, the Award Budget, this Master Agreement, and the Underlying Agreement and any Amendments thereto,
 - (2) Necessary to carry out the Award,
 - (3) Reasonable for the property or services acquired for use in the Project,
 - (4) The actual net costs, which consist of the price paid minus reductions of the costs incurred, such as any refunds, rebates, or other items of value, but excluding program income,
 - (5) Incurred for work performed after the Effective Date of the:
 - (a) Award,
 - (b) Pre-award authority that FTA has provided, or
 - (c) Letter of No Prejudice,
 - (6) Satisfactorily documented,
 - (7) Consistent with federally approved accounting principles and procedures, including requirements for indirect costs, consistent with the applicable U.S. DOT Common Rules, and
 - (8) Consistent with applicable U.S. DOT Common Rules and other applicable federal law, regulations, requirements, and guidance.
- c. Ineligible Costs. The Recipient agrees that, except as the Federal Government determines otherwise in writing, FTA will exclude ineligible costs incurred in connection with the Award or otherwise, such as:
- (1) A cost the Recipient has incurred before the Effective Date of the Award as documented in the Underlying Agreement or any Amendments thereto that is not accompanied by FTA's written approval, including, but not limited to, pre-award authority or a Letter of

No Prejudice, and permitted by applicable federal law, regulation, guidance, or the Underlying Agreement or any Amendments thereto,

- (2) A cost not included in the most recent Award Budget,
 - (3) A cost for property or services received in connection with any third party agreement lacking any FTA approval or concurrence in writing that is required,
 - (4) An ordinary governmental or operating cost not applicable to the Award, as prohibited by 49 U.S.C. § 5323(h)(1),
 - (5) A profit or fee for services provided by the Recipient or any of its Subrecipients in implementing the Award, or
 - (6) A cost that is ineligible for FTA participation as provided in applicable federal law, regulation, requirement, or guidance.
- d. Bond Interest and Other Financing Costs – Limited Eligibility. The Recipient agrees that bond interest and other financing costs are allowable costs to the extent permitted by applicable federal law, regulation, requirement, or guidance. FTA’s share of interest and financing costs that implement the Award will be limited to an amount that does not exceed the most favorable financing terms reasonably available at the time of borrowing, except as the Federal Government determines otherwise in writing,
- e. Payment Procedures Based on the Type of Federal Assistance Awarded. The Recipient agrees that:
- (1) All payments in connection with the Award will be made through electronic methods.
 - (2) Payment procedures for a Recipient differ based upon the type of federal assistance that is awarded.
 - (3) FTA determines which electronic system it will use to make payments to the Recipient as follows:
 - (a) For Grants and other types of federal assistance, FTA will use the Electronic Clearinghouse Operation Web System (ECHO-Web), Automated Clearing House (ACH) payment method, except as provided below in sections 7.e(3)(b) and (c) of this Master Agreement,
 - (b) For Cooperative Agreements, FTA will use the DELPHI eInvoicing System or DELPHI Mark View System if the Recipient is granted a waiver (*see* the following section 7.g of this Master Agreement for more information about payments for cooperative agreements and section 7.g of this Master Agreement for information about accessing and using the DELPHI eInvoicing System), and
 - (c) For Grants requiring more detailed review of supporting documentation before receiving federal assistance and as determined by the FTA Manager for the Underlying Agreement, FTA will use the DELPHI eInvoicing System (*see* the following section 7.g of this Master Agreement for more information about accessing and using the DELPHI eInvoicing System).
- f. Payment Procedures Using ECHO. The Recipient agrees that if payment is made through ECHO-Web using an ECHO Control Number, it will comply with the “ECHO Web User Manual For FTA and FAA,” July 2012, and it will withdraw federal assistance only to pay the eligible costs of implementing the Award.

- (1) Major Withdrawals. When a single withdrawal will exceed \$50,000,000, the Recipient agrees to notify the appropriate FTA Regional or Program Office at least three (3) days before the withdrawal is anticipated.
- (2) Immediate Use. The Recipient agrees that it will not withdraw federal assistance until needed for immediate payment of those expenses and will use that federal assistance to pay for expenses that implement the Award no later than three (3) days after receipt, except as an authorized official of the Federal Government permits otherwise in writing.
- (3) Limits. The Recipient agrees that it will not withdraw more than the sum of federal assistance the Federal Government has awarded or the current available balance for its Award, the accompanying Underlying Agreement, and any Amendments thereto, whichever is less.
- (4) Control. The Recipient agrees to provide for the control and accountability of all federal assistance for its Award, the accompanying Underlying Agreement, and any Amendments thereto.
- (5) Reporting. Unless an authorized FTA official determines otherwise in writing, the Recipient agrees to report its cash payments and balances promptly.
- (6) Penalties. If the Recipient fails to comply with this section of this Master Agreement, it agrees that it may incur or be subjected to penalties, including, but not limited to, the following:
 - (a) Access to ECHO-Web. The Federal Government may revoke or suspend the Recipient's ECHO Control Number and access to the ECHO-Web if the Federal Government determines that:
 - 1 Fraud, waste, mismanagement, or abuse exists in the Recipient's use and application of federal assistance,
 - 2 The Recipient has failed to use federal assistance it withdrew to pay costs incurred that implement the Underlying Agreement within three (3) days of withdrawing that federal assistance,
 - 3 The Recipient has failed to return withdrawn but unspent federal assistance to the Federal Government within a reasonable time,
 - 4 The Recipient has failed to establish procedures to minimize the time between advances of federal assistance and payments of costs incurred that implement the Underlying Agreement,
 - 5 The Recipient has been awarded Federal assistance through a Cooperative Agreement with FTA and will use the eInvoicing or DELPHI Mark View System as its payment method instead of the ECHO-Web System (*see* section 7.g.), or
 - 6 For Grants requiring a more detailed review of supporting documentation before receiving federal assistance, and as determined by the FTA Manager for the Award, the Recipient will use eInvoicing (*see* section 7.g).
 - (b) Interest. The Recipient agrees to pay interest to the Federal Government on any federal assistance withdrawn prematurely, irrespective of whether the federal assistance has been deposited in an interest-bearing account.
 - 1 A State or State Instrumentality. If the Recipient is a state or state instrumentality, it agrees to pay interest calculated as provided in section 5(b) of the Cash Management Improvement Act of 1990, as amended, 31 U.S.C. § 6503(b), and U.S. Department of Treasury (U.S. Treasury) regulations,

“Rules and Procedures for Efficient Federal-State Funds Transfers,” 31 C.F.R. part 205.

- 2 **Other than a State or State Instrumentality.** If the Recipient is not a state or state instrumentality, it agrees to pay prejudgment common law interest determined by the Federal Government, as authorized by joint U.S. Treasury and U.S. Department of Justice (joint U.S. Treasury and U.S. DOJ) regulations, “Standards for the Administrative Collection of Claims,” 31 C.F.R. § 901.9(i). The Federal Government may determine the amount of interest due, based on the amount of interest the Recipient demonstrates it earned on its premature withdrawals of federal assistance, the amount of interest based on the “Treasury tax and loan account” rate prescribed under 31 U.S.C. § 3717 for debts owed to the United States, or an amount of interest as the Federal Government otherwise determines.
- (7) **ECHO System.** If the Recipient is authorized to receive payments provided through ECHO-Web, FTA does not generally review the drawdown when made; however, FTA may review the drawdown at a later time, and subject that drawdown to an audit under a financial oversight review, a triennial review, or another audit.
- g. **Payment Procedures for a Cooperative Agreement.** A Recipient of federal assistance through a Cooperative Agreement must use the DELPHI eInvoicing System to obtain federal payments for costs incurred that implement the Underlying Agreement, unless a waiver is granted.
 - (1) **Standard Procedures.** To make and receive payments through the DELPHI eInvoicing System, the procedures below must be followed:
 - (a) **Access to the DELPHI eInvoicing System.** To access the DELPHI eInvoicing System, the Recipient:
 - 1 Must have internet access to register and submit payment requests through the DELPHI eInvoicing System,
 - 2 Should contact its FTA Manager for the Underlying Agreement to obtain the required DELPHI User access form and approval,
 - 3 Must complete the required form that the FAA, Enterprise Service Center’s (ESC) Help Desk uses to verify the Recipient’s identity, and present it to a Notary Public for verification,
 - 4 Return that form, completed and notarized, to:
DOT Enterprise Services Center
FAA Accounts Payable, AMZ-100
PO Box 25710
Oklahoma City, OK 73125,
and,
 - 5 Should contact its FTA Manager for the Underlying Agreement with any changes to its system profile information.
 - (b) **Payment Requests.** The Recipient must submit each payment request electronically through the DELPHI eInvoicing System, unless a waiver is granted; use of the DELPHI eInvoicing System requires the FTA Manager for the Underlying Agreement to review all supporting documentation before authorizing payment.

- (c) Additional Information. The U.S. DOT DELPHI eInvoicing System website at <http://www.dot.gov/cfo/delphi-einvoicing-system.html> displays additional information, including the access form and training materials a Recipient may need.
 - (d) Federal Responsibilities. When FTA so requests, the Federal Aviation Administration (FAA) will make payments to FTA Recipients electronically. On behalf of FTA, FAA/ESC must process payment requests to a Recipient of federal assistance documented in its Cooperative Agreement with FTA, and will deposit that federal assistance with the Recipient's financial institution (Note: FTA no longer issues paper checks).
- (2) Waiver Requests. On a case-by-case basis, U.S. DOT Financial Management officials may waive the requirement for a Recipient to register and use the DELPHI eInvoicing System.
- (a) The Recipient's Responsibilities. If the Recipient seeks a waiver from the requirement to use the DELPHI eInvoicing System:
 - 1 It must notify U.S. DOT and FTA by downloading the waiver request form, which can be obtained on the U.S. DOT eInvoicing website at <http://www.dot.gov/cfo/delphi-einvoicing-system.html>, and notifying its FTA Manager for the Underlying Agreement that it has requested a waiver from using the DELPHI eInvoicing System,
 - 2 It must send its waiver request to the Director of the Office of Financial Management, U.S. Department of Transportation, Office of the Secretary (OST), Office of Financial Management, B-30, 1200 New Jersey Avenue SE, Washington DC 20590-0001 DOTElectronicInvoicing@dot.gov, and
 - 3 If it obtains a waiver from the use of the DELPHI eInvoicing System, then payment will be made using the DELPHI Mark View System, and the Recipient should submit all invoices and any supporting documentation directly to:
 - a FTAinvoices@faa.gov (Note: no more than 10 MB of data can be transmitted at one time. For invoices greater than 10MB, split into multiple emails and notate in the subject Email 1 of 4, 2 of 4, *etc.*), or
 - b DOT/FAA (FTA Account)
6500 South MacArthur Blvd.
AMZ-150, HQ Room 272
PO Box 269041
Oklahoma City, OK 73125-69041
 - (b) Federal Responsibilities. FTA and U.S. DOT have the following responsibilities:
 - 1 The Director, OST, Office of Financial Management, will confirm or deny the waiver request within approximately 30 days.
 - 2 If the request is granted, then payments will be made after receipt of the required FTA reporting forms, provided the Recipient has complied with the U.S. DOT Common Rules and this Master Agreement.
 - (c) DELPHI eInvoicing System or DELPHI Mark View System. If the Recipient receives payments provided through the DELPHI eInvoicing System or DELPHI Mark View System, the Recipient must submit a request for payment with adequate supporting documentation for FTA to determine that:

- 1 It has complied and is complying with the Underlying Agreement,
 - 2 It has made and is making adequate progress toward completion of the Award, and
 - 3 It has satisfied FTA that the federal assistance requested is needed for the eligible purposes of the Award in that requisition period.
- (d) Reimbursement. After it has demonstrated satisfactory compliance with this section, FTA may reimburse the federal share of the Recipient's apparent allowable costs incurred or to be incurred in the requisition period if those apparent allowable costs are consistent with the Award Budget, and those apparent allowable costs do not exceed the maximum amount of federal assistance that may be paid through the federal fiscal year of that requisition.
- h. Safeguarding Federal Assistance. The Recipient agrees to deposit all federal assistance it receives in a financial institution and in an insured account whenever possible, and understands that FTA encourages it to use financial institutions owned at least fifty (50) percent by minority group members.
- i. The Recipient's Duty to Pay Eligible Costs. When accompanied by appropriate documentation, the Recipient agrees to pay the eligible costs incurred that implement the Award when due, using the available federal assistance provided for the Award and the non-federal share.
- j. Effect of Federal Payments. The Recipient agrees that any federal payment made for a cost incurred that is supported by its Underlying Agreement does not constitute the Federal Government's final decision about the eligibility of the cost for payment with federal assistance provided through the Underlying Agreement, or a waiver of any violation of any federal law, regulation, requirement, guidance, the Underlying Agreement or this Master Agreement.
- k. Revocation of Federal Assistance. The Federal Government may revoke the unexpended portion of federal assistance for the Award after the Award has been made and executed.
- l. Final Cost Determination. The Recipient acknowledges that the Federal Government will not make a final determination about the eligibility of any cost until the audit of the Award and Underlying Agreement has been completed.
- m. Closeout. The Recipient agrees that closeout of the Award will not alter:
- (1) The Recipient's obligation to return any amounts it owes the Federal Government for later refunds, corrections, or other similar actions, and
 - (2) The Federal Government's right to disallow costs and recover federal assistance based on a later audit or other review.
- n. Notification. If the Federal Government determines that the Recipient is not entitled to any portion of federal assistance paid, the Federal Government will notify the Recipient in writing.

- o. Recovery of Improper Payments. Unless prohibited by federal law or regulation, the Federal Government may recover any federal assistance necessary to satisfy any outstanding monetary claims it may have against the Recipient.

- p. Program Income. The Recipient agrees that it may use its program income derived from a Project receiving federal assistance through the Underlying Agreement as FTA permits. In determining the total amount of program income a Recipient has earned from its Project, those costs incident to earning program income that have not been charged to the Award may be deducted from the Recipient's gross income.
 - (1) During the Period of Performance. The Recipient may use program income earned during the period of performance of the Underlying Agreement as follows:
 - (a) The Recipient may retain the income for other capital or operating public transportation expenses. If the Recipient chooses not to use program income for current or future FTA Grants or Cooperative Agreements or for other purposes ineligible for federal participation, then the amount of program income used for purposes ineligible for federal participation will be deducted from the total allowable costs to determine the net allowable costs.
 - (b) For each Public Transportation Innovation, Technical Assistance, Workforce Development Project or Enhanced Mobility of Seniors and Individuals with Disabilities project, or related activities, the Recipient may add program income to the Award.
 - (c) Depending on federal statutory or regulatory restrictions, the Recipient may use the program income for the non-federal share for a future public transportation Project that will receive federal assistance provided by FTA.
 - (2) After the Award Period. Except as FTA determines otherwise in writing, the Recipient has no obligation to the Federal Government regarding the disposition of program income earned after the end of the period of performance of the Award (*i.e.*, after the ending date of the final Federal Financial Report).

- q. Profits. The Recipient and Subrecipient may earn or keep the profits it may derive as a result of an Award, but the Recipient agrees that any such profits must be used in a manner consistent with the provisions of this Master Agreement or applicable federal guidance.

- r. Excess Payments, Disallowed Costs, Refunds, Claims, Debts, Interest, Penalties, Administrative Charges, and Other Amounts Owed to the Federal Government.
 - (1) The Recipient's Responsibility to Pay. The Recipient agrees that after receiving notice of specific amounts due, it will pay the amount it owes the Federal Government for:
 - (a) Excess federal payments for disallowed costs,
 - (b) Refunds due and amounts recovered from third parties or other sources,
 - (c) Federal claims or debts,
 - (d) Interest assessed,
 - (e) Penalties,
 - (f) Administrative charges, or
 - (g) Other amounts it owes the Federal Government.
 - (2) Amount of Interest Due. The amount of interest to be assessed depends on the procedures used to pursue payment:

- (a) The Debt Collection Act. When the Federal Government uses the procedures of the Debt Collection Act of 1982, as amended, 31 U.S.C. § 3701 *et seq.*, to collect claims or debts owed by the Recipient for any reason authorized under that Act (including excess payments and disallowed costs), the Recipient agrees that the amount of interest it will owe will be determined by the Joint U.S. Treasury and U.S. DOJ regulations, “Standards for the Administrative Collection of Claims,” 31 C.F.R. part 900, specifically 31 C.F.R. § 901.9(a) – (g), or common law interest authorized by 31 C.F.R. § 901.9(i), as the Federal Government determines.
 - (b) Other Collection Processes. When the Federal Government uses methods or procedures other than those described in 31 U.S.C. § 3701 *et seq.* to recover money(ies) the Recipient owes the Federal Government, the Recipient agrees that common law interest will be due as authorized by Joint U.S. Treasury and U.S. DOJ regulations, “Standards for the Administrative Collection of Claims,” 31 C.F.R. § 901.9(i), but interest for premature withdrawals of federal assistance by states or state instrumentalities will be calculated as required under Section 5(b) of the Cash Management Improvement Act of 1990, as amended, 31 U.S.C. § 6503(b), and U.S. Treasury regulations, “Rules and Procedures for Efficient Federal-State Funds Transfers,” 31 C.F.R. part 205.
- s. De-obligation of Federal Assistance. The Recipient agrees that the Federal Government may de-obligate federal assistance the Recipient has not spent both before and after closeout of the Award.

Section 8. Records and Reports Related to the Award and the Underlying Agreement.

- a. Records. The Recipient agrees to maintain satisfactory records of each Project and activities related in whole or in part to its Award, the accompanying Underlying Agreement, and any Amendments thereto to the extent FTA requires, including, but not limited to:
 - (1) Financial Records. Accurate financial records in its account for its Award, the accompanying Underlying Agreement, and any Amendments thereto, including, but not limited to, records of:
 - (a) Assets Received that Implement the Award. The amount of all assets it receives to implement its Award, the accompanying Underlying Agreement, and any Amendments thereto including, but not limited to all federal assistance or the value of any property the Federal Government provides that implement its Award, the accompanying Underlying Agreement, and any Amendments thereto, and all other funds and the value of any property or services it has received from sources other than the Federal Government provided for, accruing to, or otherwise received on account of its Award, the accompanying Underlying Agreement, and any Amendments thereto.
 - (b) Costs Incurred that Implement the Award. Information about the costs incurred to implement its Award, the accompanying Underlying Agreement, and any Amendments thereto, including all costs incurred for the eligible property or services, detailed descriptions of the type of property or services acquired, including, but not limited, to properly executed payrolls, time records, invoices,

contracts, vouchers, and other appropriate records, and detailed justifications for those costs.

- (c) Program Income. All program income derived from the use of Project property, except income FTA determines to be exempt from federal program income record requirements.
 - (2) Other Records Needed for Reports Related to the Award. Sufficient records as needed to prepare adequate reports related to the Award that it must submit to the Federal Government.
 - (3) Formats. Formats for records must be satisfactory to FTA and include, but are not limited to, electronic records, including any emails related to the Award, records on paper, and records created in other formats.
 - (4) Availability of Records Related to the Award. Accessibility for review and separation from other records not related to the Award to the extent feasible must be maintained.
- b. Reports. The Recipient agrees to provide to FTA, and others if FTA so directs, all reports related in whole or in part required by applicable federal laws, regulations, requirements, the Underlying Agreement, or at FTA's express direction in the number and format as FTA specifies.
- c. National Transit Database. For each fiscal year the Recipient receives or provides to any public transportation operator federal assistance appropriated or made available for 49 U.S.C. § 5307 (including the Passenger Ferry Grant Program) or any provision of 49 U.S.C. § 5311 (including the Tribal Transit Program):
- (1) Reporting Requirements. The Recipient agrees to and assures that it will require the public transportation operators participating in its Award, the accompanying Underlying Agreement, and any Amendments thereto:
 - (a) To facilitate compliance with 49 U.S.C. § 5335(a), which authorizes the National Transit Database (NTD),
 - (b) To conform to the NTD reporting system and the Uniform System of Accounts and Records,
 - (c) To comply with FTA regulations, "Uniform System of Accounts and Records and Reporting System," 49 C.F.R. part 630,
 - (d) To report information relating to, and the condition of, its public transportation assets, as provided in FTA regulations, "Transit Asset Management; National Transit Database," 49 C.F.R. parts 625 and 630,
 - (e) To comply with any other applicable reporting regulations, and requirements, and
 - (f) To follow FTA guidance.
 - (2) Voluntary Compliance. FTA encourages any Recipient that is not required to provide information for the NTD, to provide that information voluntarily.
- d. U.S. OMB Special Reporting Requirements.
- (1) Authority. U.S. OMB has issued regulatory guidance in 2 C.F.R. § 25.220 instructing federal agencies to include special "award terms" as authorized under federal laws, including:
 - (a) The Federal Funding Accountability and Transparency Act of 2006 (FFATA), Public Law No. 109-282, September 26, 2006,

- (b) Section 6202 of the Department of Defense Appropriations Act for Fiscal Year 2008, Public Law No. 110-252, June 30, 2008, which amended the FFATA, and
 - (c) Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009, Public Law No. 110-417, October 14, 2008, which further amended the FFATA.
- (2) Universal Identifier and System for Award Management (SAM). The Recipient agrees to comply with the award terms in U.S. OMB regulatory guidance, “Universal Identifier and System for Award Management (SAM),” 2 C.F.R. part 25, appendix A, which FTA has included in this Master Agreement at the direction of U.S. OMB:
- (a) Requirements for the System for Award Management (SAM). Unless exempted from SAM as provided in 2 C.F.R. § 25.110, the Recipient agrees to:
 - 1 Maintain the currency of its information in SAM until the later of the date it submits its final financial report required under this Master Agreement, or the date it receives its final federal payment for the Underlying Agreement, and
 - 2 Review and update its information in SAM at least annually after the initial registration, and more frequently if required by changes in its information, another provision of an applicable federal or federally assisted agreement, or an applicable federal law or regulation, or U.S. OMB regulatory guidance.
 - (b) Requirement for a Unique Entity Identifier [Currently, the Data Universal Numbering System (DUNS) Number for SAM]. If the Award includes federal assistance intended to support subawards, the Recipient agrees to notify each potential Subrecipient and other entity participating in the Award that:
 - 1 The potential Subrecipient or entity must provide its unique entity identifier for SAM [*currently, its DUNS number*] to the Recipient,
 - 2 The Recipient may not make any subaward to any potential Subrecipient or entity unless that Subrecipient or entity has provided its unique entity identifier for SAM [*currently, its DUNS number*] to the Recipient, and
 - 3 No Subrecipient or entity, as described below in section 8.d(4) of this Master Agreement, may receive a subaward provided through the Underlying Agreement, unless that entity has provided its unique entity identifier for SAM [*currently, its DUNS number*] to the Recipient.
- (3) Reporting Subawards and Executive Compensation. The Recipient agrees to comply with the award terms in U.S. OMB regulatory guidance, “Reporting Subaward and Executive Compensation Information,” 2 C.F.R. part 170, appendix A, which FTA has included in this Master Agreement at the direction of U.S. OMB.
- (4) Reporting of First-Tier Subawards. The Recipient agrees that when it takes an action that obligates \$25,000 or more in federal assistance for a subaward, it must report each such action as provided below, but it need not report an obligation of \$25,000 or more in federal assistance, if the Recipient is exempt from U.S. OMB’s Special Reporting Requirements as provided below.
- (a) Where and when to report. The Recipient agrees to report each obligating action described below to <http://www.frs.gov>, and the Recipient agrees to report subaward information no later than the end of the month after the month in which the obligation was made, (*for example, if the obligation was made on October 1, 2015, the obligation must be reported by no later than November 1, 2015*).

- (b) What to report. The Recipient agrees to report the requisite information about each obligating action required by the submission instructions posted at <http://www.usaspending.gov>.
- (c) Reporting Total Compensation of the Recipient's Executives. The Recipient agrees to report the total compensation for each of its five highest compensated executives for the preceding completed fiscal year if:
- 1 The total federal assistance authorized to date for the Underlying Agreement is \$25,000 or more, and
 - 2 In its preceding fiscal year, the Recipient:
 - a Received 80 percent or more of its annual gross revenues from federal assistance subject to the Transparency Act, as defined in 2 C.F.R. § 170.320 (and subawards) and/or federal procurement contracts (and subcontracts),
 - b Received \$25,000,000 or more in annual gross revenues from federal assistance subject to the Transparency Act, as defined in 2 C.F.R. § 170.320 (and subawards) and/or federal procurement contracts (and subcontracts), and
 - c The public does not have access to information about the compensation of the Recipient's executives through periodic reports filed under Section 13(a) of the Securities Exchange Act of 1934, 15 U.S.C. § 78m(a), Section 15(d) of the Securities Exchange Act of 1934, 15 U.S.C. § 78o(d), or Section 6104 of the Internal Revenue Code of 1986, 26 U.S.C. § 6104 *(to determine if the public has access to the compensation information, see the U.S. Securities and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).*
 - 3 The Recipient agrees to report executive total compensation described above as part of Recipient's registration profile at <http://www.sam.gov>, and by the end of the month after the month in which the Underlying Agreement is executed and annually thereafter.
 - 4 Reporting of Total Compensation of the Subrecipient's Executives. Unless exempt as provided below, the Recipient agrees to report the names and total compensation of each of its first-tier Subrecipient's five highest compensated executives for the Subrecipient's preceding completed fiscal year if:
 - a It received 80 percent or more of its annual gross revenues from federal assistance subject to the Transparency Act, as defined in 2 C.F.R. § 170.320 (and subawards) and/or federal procurement contracts (and subcontracts), and
 - b It received \$25,000,000 or more in annual gross revenues from federal assistance subject to the Transparency Act as defined in 2 C.F.R. § 170.320 (and subawards) and/or federal procurement contracts (and subcontracts),
 - c The public does not have access to information about the compensation of the Subrecipient's executives through periodic reports filed under Section 13(a) of the Securities Exchange Act of 1934, 15 U.S.C. § 78m(a), Section 15(d) of the Securities Exchange Act of 1934, 15 U.S.C. § 78o(d), or Section 6104 of the Internal Revenue Code of 1986, 26 U.S.C. § 6104 *(to determine if the public has access to the compensation information, see*

the U.S. Securities and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

- 5 The Recipient agrees to report the Subrecipient's executives' total compensation described above to FTA and elsewhere as may be determined by the Federal Government, and by the end of the month following the month during which the Recipient makes the subaward (*for example, if a subaward is obligated on any date during the month of October of a given year, i.e., between October 1 and 31, the Recipient must report any required compensation information about the Subrecipient by November 30 of that year*).
 - 6 Any Recipient that had gross income under \$300,000 from all sources in the previous tax year is exempt from those federal requirements to report subawards, and the total compensation of the five highest compensated executives of any Subrecipient.
- (5) Recipient Integrity and Performance Matters. U.S. OMB regulatory guidance, "Recipient Integrity and Performance Matters," 2 C.F.R. part 200, appendix XII, contains mandatory provisions that may affect the Recipient's reporting requirements.
- e. Closeout. The Recipient agrees that closeout of its Award does not alter the record-keeping and reporting requirements of this section of this Master Agreement.

Section 9. Record Retention and Access to Sites of Performance.

- a. Types of Records. The Recipient agrees to retain, and will require its Third Party Participants to retain, complete and readily accessible records related in whole or in part to the Underlying Agreement, including, but not limited to, data, documents, reports, statistics, subagreements, leases, third party contracts, arrangements, other third party agreements of any type, and supporting materials related to those records.
- b. Retention Period. The Recipient agrees to comply with the record retention requirements in the applicable U.S. DOT Common Rule. Records pertaining to its Award, the accompanying Underlying Agreement, and any Amendments thereto must be retained from the day the Underlying Agreement was signed by the authorized FTA official through the course of the Award, the accompanying Underlying Agreement, and any Amendments thereto until three years after the Recipient has submitted its last or final expenditure report, and other pending matters are closed.
- c. Access to Recipient and Third Party Participant Records. The Recipient agrees, and assures that each Subrecipient, if any, will agree, to:
 - (1) Provide, and require its Third Party Participants at each tier to provide, sufficient access to inspect and audit records and information related to its Award, the accompanying Underlying Agreement, and any Amendments thereto to the U.S. Secretary of Transportation or the Secretary's duly authorized representatives, to the Comptroller General of the United States, and the Comptroller General's duly authorized representatives, and to the Recipient and each of its Subrecipients,

- (2) Permit those individuals listed above to inspect all work and materials related to its Award, and to audit any information related to its Award under the control of the Recipient or Third Party Participant within books, records, accounts, or other locations, and
 - (3) Otherwise comply with 49 U.S.C. § 5325(g), and federal access to records requirements as set forth in the applicable U.S. DOT Common Rules.
- d. Access to the Sites of Performance. The Recipient agrees to permit, and to require its Third Party Participants to permit, FTA to have access to the sites of performance of its Award, the accompanying Underlying Agreement, and any Amendments thereto, and to make site visits as needed in compliance with the U.S. DOT Common Rules.
- e. Closeout. Closeout of the Award does not alter the record retention or access requirements of this section of this Master Agreement.

Section 10. Completion, Audit, Settlement, and Closeout.

- a. Completion. Within ninety (90) calendar days after completion or termination of the Award, the Recipient agrees to submit:
- (1) Its final Federal Financial Report, either electronically or on Federal Financial Report Standard Form 425 (SF-425),
 - (2) A certification of expenses incurred that implement its Award, the accompanying Underlying Agreement, and any Amendments thereto, and
 - (3) The necessary audit reports of its Award, the accompanying Underlying Agreement, and any Amendments thereto.
- b. Audit of the Recipient. Except as the Federal Government determines otherwise in writing, the Recipient agrees that:
- (1) Audits Required. It must obtain the following audits:
 - (a) Annual “Single Audit.” A financial and compliance audit consistent with the requirements of the Single Audit Act Amendments of 1996, 31 U.S.C. § 7501 *et seq.*, and applicable U.S. DOT “Single Audit” requirements of 2 C.F.R. part 1201, which incorporate by reference 2 C.F.R. part 200, for each Award, the accompanying Underlying Agreement, and any Amendments to any Underlying Agreement, and
 - (b) Other Audits. Other audits the Federal Government may require.
 - (2) Auditing Standards. It must comply with the “Audit Requirements” of 2 C.F.R. part 200, subpart F, and conform to U.S. Government Accountability Office (U.S. GAO) “Government Auditing Standards” in the conduct of audits of its Award, the accompanying Underlying Agreement, and any Amendments thereto.
 - (3) Costs of Audits. The audit costs for the administration and management of the Award, the accompanying Underlying Agreement, and any Amendments to any Underlying Agreement are allowable to the extent authorized by the cost principles of 49 C.F.R. part 1201, which incorporate by reference 2 C.F.R. part 200.

- c. Amounts Owed to the Federal Government. The Recipient agrees to return to the Federal Government any excess federal payments it receives for disallowed costs, and the Federal Government's proportionate part of any amounts it recovers from third parties or other sources, including refunds due and amounts recovered from third parties or other sources, interest assessed, penalties, and administrative charges.
- d. Closeout. The Recipient agrees that closeout of the Award occurs when FTA notifies the Recipient that the Award is closed, and approves the final federal payment, or acknowledges receipt of the proper refund. Closeout of the Award does not alter the Recipient's audit responsibilities and does not invalidate any continuing requirements of applicable federal law, regulations, or requirements, this Master Agreement or the Underlying Agreement.

Section 11. Right of the Federal Government to Terminate.

- a. Justification. After providing written notice to the Recipient, the Recipient agrees that the Federal Government may suspend, suspend then terminate, or terminate all or any part of the federal assistance for the Award if:
 - (1) The Recipient has failed to make reasonable progress implementing the Award,
 - (2) The Federal Government determines that continuing to provide federal assistance to support the Award does not adequately serve the purposes of the law authorizing the Award, or
 - (3) The Recipient has violated the terms of the Underlying Agreement, especially if that violation would endanger substantial performance of the Underlying Agreement.
- b. Financial Implications. In general, termination of federal assistance for the Award will not invalidate obligations properly incurred before the termination date to the extent that those obligations cannot be canceled. The Federal Government may recover the federal assistance it has provided for the Award, including the federal assistance for obligations properly incurred before the termination date, if it determines that the Recipient has misused its federal assistance by failing to make adequate progress, failing to make appropriate use of the Project property, or failing to comply with the Underlying Agreement, and require the Recipient to refund the entire amount or a lesser amount, as the Federal Government may determine including obligations properly incurred before the termination date.
- c. Expiration of the Period of Performance. Except for a Full Funding Grant Agreement, expiration of any period of performance established for the Award does not, by itself, constitute an expiration or termination of the Award; FTA may extend the period of performance to assure that each Formula Project or related activities and each Project or related activities funded with "no year" funds can receive FTA assistance to the extent FTA deems appropriate.

Section 12. Civil Rights.

- a. Civil Rights Requirements. The Recipient agrees that it must comply with applicable federal civil rights laws, regulations, and requirements, and follow applicable federal guidance, except as the Federal Government determines otherwise in writing. Therefore, unless a

Recipient or a federal program, including the Indian Tribe Recipient or the Tribal Transit Program, is specifically exempted from a civil rights statute, FTA requires compliance with each civil rights statute, including compliance with equity in service requirements.

- b. Nondiscrimination in Federal Public Transportation Programs. The Recipient agrees to, and assures that it and each Third Party Participant will:
 - (1) Prohibit discrimination based on race, color, religion, national origin, sex (including gender identity), disability, or age.
 - (2) Prohibit the:
 - (a) Exclusion from participation in employment or a business opportunity for reasons identified in 49 U.S.C. § 5332,
 - (b) Denial of program benefits in employment or a business opportunity identified in 49 U.S.C. § 5332, or
 - (c) Discrimination identified in 49 U.S.C. § 5332, including discrimination in employment or a business opportunity identified in 49 U.S.C. § 5332.
 - (3) Follow:
 - (a) The most recent edition of FTA Circular 4702.1, “Title VI Requirements and Guidelines for Federal Transit Administration Recipients,” to the extent consistent with applicable federal laws, regulations, requirements, and guidance, but
 - (b) FTA does not require an Indian Tribe to comply with FTA program-specific guidelines for Title VI when administering its Underlying Agreement supported with federal assistance under the Tribal Transit Program.
- c. Nondiscrimination – Title VI of the Civil Rights Act. The Recipient agrees to, and assures that each Third Party Participant will:
 - (1) Prohibit discrimination based on race, color, or national origin,
 - (2) Comply with:
 - (a) Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d *et seq.*,

 - (1) Construction. As provided in federal regulations and modified by FTA guidance, for each Project or related activities implementing the Underlying Agreement that involve construction, it will provide bid guarantee bonds, contract performance bonds, and payment bonds.
 - (2) Activities Not Involving Construction. For each Project or related activities implementing the Underlying Agreement not involving construction, the Recipient will not impose excessive bonding and will follow FTA guidance.
- o. Architectural Engineering and Related Services. When procuring architectural engineering or related services supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53 or provided in any other law requiring the Award to be administered under 49 U.S.C. chapter 53, the Recipient agrees to comply and assures that each of its Subrecipients will comply with 49 U.S.C. § 5325(b).
- p. Design-Build Projects. As provided in 49 U.S.C. § 5325(d), the Recipient may use a design-build procurement to carry out its Design-Build Project, provided that it complies with applicable federal laws, regulations, and requirements, and follows federal guidance.
- q. Award to Other than the Lowest Bidder. As permitted under 49 U.S.C. § 5325(c), the Recipient may award a third party contract to other than the lowest bidder, if that award furthers an objective (for example, improved long-term operating efficiency and lower long-term costs) consistent with the purposes of 49 U.S.C. chapter 53 and any implementing federal regulations, requirements, or guidance that FTA may issue.
- r. Award to Responsible Third Party Contractors. The Recipient agrees to award third party contracts only to contractors able to carry out the procurement successfully, as provided in 49 U.S.C. § 5325(j), and before awarding a third party contract, it will consider the proposed contractor's integrity, compliance with public policy, past performance, and financial and technical resources.

 - (1) The U.S. Secretary of Transportation and the Comptroller General of the United States, the state, or their duly authorized representatives, access to all third party contract records (at any tier) as required under 49 U.S.C. § 5325(g), and
 - (2) Sufficient access to all third party contract records (at any tier) as needed for compliance with applicable federal laws, regulations, and requirements or to assure proper management of Underlying Agreement as determined by FTA.
- t. Electronic and Information Technology. - u. Veterans Preference. As provided in 49 U.S.C. § 5325(k), to the extent practicable, the Recipient agrees and assures that each of its Subrecipients:
 - (1) Will give a hiring preference to veterans, as defined in 5 U.S.C. § 2108, who have the skills and abilities required to perform construction work required under a third party contract in connection with a Capital Project supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53, and
 - (2) Will not require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.

- w. Bid Protests. The Recipient agrees to provide FTA, as part of the annual or quarterly Milestone Progress Report, with a list of all bid protests and appeals for solicitations or contracts in excess of \$500,000. The Recipient also should be mindful of the requirement in Section 39, Disputes, that the Recipient must promptly notify the FTA Chief Counsel, or FTA Regional Counsel for the Region in which the Recipient is located, of significant current or prospective legal matters that may affect the Federal Government.

Section 17. Patent Rights.

- a. General. The Recipient agrees that:
 - (1) Depending on the nature of the Underlying Agreement, the Federal Government may acquire patent rights when the Recipient or Third Party Participant produces a patented or patentable invention, improvement, or discovery,
 - (2) The Federal Government’s rights arise when the patent or patentable information is conceived or reduced to practice with federal assistance provided through the Underlying Agreement, or
 - (3) When a patent is issued or patented information becomes available as described in the preceding section 17.a(2) of this Master Agreement, the Recipient will notify FTA immediately and provide a detailed report satisfactory to FTA.
- b. Federal Rights. The Recipient agrees that:
 - (1) Its rights and responsibilities and each Third Party Participant’s rights and responsibilities in that federally assisted invention, improvement, or discovery will be determined as provided in applicable federal laws, regulations, requirements, and guidance, including any waiver thereof, and
 - (2) Unless the Federal Government determines otherwise in writing, irrespective of its status or the status of any Third Party Participant as a large business, small business, state government, state instrumentality, local government, Indian tribe, nonprofit organization, institution of higher education, or individual, the Recipient will transmit the Federal Government’s patent rights to FTA, as specified in 35 U.S.C. § 200 *et seq.*,

and U.S. Department of Commerce regulations, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” 37 C.F.R. part 401.

- c. License Fees and Royalties. Consistent with the applicable U.S. DOT Common Rules, the Recipient agrees that license fees and royalties for patents, patent applications, and inventions produced with federal assistance provided through the Underlying Agreement are program income, and must be used in compliance with applicable federal requirements.

Section 18. Rights in Data and Copyrights.

- a. Definition of “Subject Data.” As used in this section, “subject data” means recorded information, whether or not copyrighted, that is delivered or specified to be delivered as required by the Underlying Agreement. Examples of “subject data” include, but are not limited to computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information, but do not include financial reports, cost analyses, or other similar information used for performance or administration of the Underlying Agreement.
- b. General Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Underlying Agreement:
 - (1) Prohibitions. The Recipient may not publish or reproduce any subject data, in whole, in part, or in any manner or form, or permit others to do so.
 - (2) Exceptions. The prohibitions do not apply to publications or reproductions for the Recipient’s own internal use, an institution of higher learning, the portion of subject data that the Federal Government has previously released or approved for release to the public, or the portion of data that has the Federal Government’s prior written consent for release.
- c. Federal Rights in Data and Copyrights. The Recipient agrees that:
 - (1) General. It must provide a license to its “subject data” to the Federal Government that is royalty-free, non-exclusive, and irrevocable. The Federal Government’s license must permit the Federal Government to reproduce, publish, or otherwise use the subject data or permit other entities or individuals to use the subject data provided those actions are taken for Federal Government purposes, and
 - (2) U.S. DOT Public Access Plan – Copyright License. The Recipient grants to U.S. DOT a worldwide, non-exclusive, non-transferable, paid-up, royalty-free copyright license, including all rights under copyright, to any and all Publications and Digital Data Sets as such terms are defined in the U.S. DOT Public Access plan, resulting from scientific research funded either fully or partially by this funding agreement. The Recipient herein acknowledges that the above copyright license grant is first in time to any and all other grants of a copyright license to such Publications and/or Digital Data Sets, and that U.S. DOT shall have priority over any other claim of exclusive copyright to the same.

- d. Special Federal Rights in Data for Research, Development, Demonstration, Deployment, Technical Assistance, and Special Studies Programs. In general, FTA's purpose in providing federal assistance for a research, development, demonstration, deployment, technical assistance, or special studies program is to increase transportation knowledge, rather than limit the benefits of the Award to the Recipient and its Third Party Participants. Therefore, the Recipient agrees that:
- (1) Publicly Available Report. When an Award providing federal assistance for any of the programs described above is completed, it must provide a report of the Underlying Agreement that FTA may publish or make available for publication on the Internet.
 - (2) Other Reports. It must provide other reports related to the Award that FTA may request.
 - (3) Availability of Subject Data. FTA may make available its copyright license to the subject data, and a copy of the subject data to any FTA Recipient or any Third Party Participant at any tier, except as the Federal Government determines otherwise in writing.
 - (4) Identification of Information. It must identify clearly any specific confidential, privileged, or proprietary information submitted to FTA.
 - (5) Incomplete. If the Award is not completed for any reason whatsoever, all data developed with federal assistance for the Award becomes "subject data" and must be delivered as the Federal Government may direct.
 - (6) Exception. This section does not apply to an adaptation of any automatic data processing equipment or program that is both for the Recipient's use, and acquired with FTA capital program assistance.
- e. License Fees and Royalties. Consistent with the applicable U.S. DOT Common Rules, the Recipient agrees that license fees and royalties for patents, patent applications, and inventions produced with federal assistance provided through the Underlying Agreement are program income, and must be used in compliance with federal applicable requirements.
- f. Hold Harmless. Upon request by the Federal Government, the Recipient agrees that if it intentionally violates any proprietary rights, copyrights, or right of privacy, and if its violation under the preceding section occurs from any of the publication, translation, reproduction, delivery, use or disposition of subject data, then it will indemnify, save, and hold harmless against any liability, including costs and expenses of the Federal Government's officers, employees, and agents acting within the scope of their official duties. The Recipient will not be required to indemnify the Federal Government for any liability described in the preceding sentence, if the violation is caused by the wrongful acts of federal officers, employees or agents, or if indemnification is prohibited or limited by applicable state law.
- g. Restrictions on Access to Patent Rights. Nothing in this section of this Master Agreement pertaining to rights in data either implies a license to the Federal Government under any patent, or may be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

- h. Data Developed Without Federal Assistance or Support. The Recipient agrees that in certain circumstances it may need to provide to FTA data developed without any federal assistance or support. Nevertheless, this section generally does not apply to data developed without federal assistance, even though that data may have been used in connection with the Award. The Recipient agrees that the Federal Government will not be able to protect data developed without federal assistance from unauthorized disclosure unless that data is clearly marked “Proprietary,” or “Confidential.”
- i. Requirements to Release Data. The Recipient understands and agrees that the Federal Government may be required to release data and information that the Recipient submits to the Federal Government as required under:
 - (1) The Freedom of Information Act (FOIA), 5 U.S.C. § 552,
 - (2) The U.S. DOT Common Rules,
 - (3) U.S. DOT Public Access Plan, which provides that the Recipient agrees to satisfy the reporting and compliance requirements as set forth in the U.S. DOT Public Access plan, including, but not limited to, the submission and approval of a Data Management Plan, the use of Open Researcher and Contributor ID (ORCID) numbers, the creation and maintenance of a Research Project record in the Transportation Research Board’s (TRB) Research in Progress (RiP) database, and the timely and complete submission of all required publications and associated digital data sets as such terms are defined in the DOT Public Access plan. Additional information about how to comply with the requirements can be found at <http://ntl.bts.gov/publicaccess/howtocomply.html>, or
 - (4) Other federal laws, regulations, requirements, and guidance concerning access to records pertaining to the Award, the accompanying Underlying Agreement, and any Amendments thereto.

Section 19. Use of Real Property, Equipment, and Supplies.

- a. Federal Interest. The Recipient agrees that the Federal Government retains a federal interest in all real property, equipment, and supplies acquired or improved for use in connection with a Project (Project property) until, and to the extent that, the Federal Government removes its federal interest.
- b. FTA Requirements and Guidance for Use of Project Property. The Recipient agrees that:
 - (1) Satisfactory Continuing Control. It will maintain continuing control of the use of its Project property as satisfactory to FTA, which is defined as the legal assurance that Project property will remain available to be used for its originally authorized purpose throughout its useful life or until disposition.
 - (2) Appropriate Use. It will use its Project property for appropriate purposes (including joint development purposes as well as uses that provide program income to support public transportation) for the duration of the useful life of its Project property, which may extend beyond the duration of the Award, and consistent with other requirements FTA may impose.
 - (3) Delay or Failure to Use Project Property. The Federal Government may require it to return the entire amount of federal assistance spent on its Project property if, during the

useful life of its Project property, it has unreasonably delayed using its Project property, or failed to use its Project property.

- (4) Notification. It will notify FTA immediately when it uses any of its Project property in a manner substantially different from the representations in its Application or other documents submitted in support of the Award, or the requirements of the accompanying Underlying Agreement, or it withdraws any of its Project property from appropriate use.
 - (5) FTA Guidance. It will consult FTA guidance through its circulars or other written documents for ways in which FTA property requirements should be implemented. FTA guidance will apply unless FTA determines otherwise in writing.
- c. General Federal Requirements. The Recipient agrees to comply with the applicable U.S. DOT property management provisions as provided in the U.S. DOT Common Rules and this Master Agreement. The Recipient also agrees to follow FTA's reimbursement provisions pertaining to premature dispositions of certain equipment, as provided in this Master Agreement and FTA guidance.
 - d. Maintenance. As provided in federal laws, regulations, requirements, and guidance, the Recipient agrees to maintain its Project property in good operating order, and comply with FTA regulations, "Transit Asset Management; National Transit Database," 49 C.F.R. parts 625 and 630.
 - e. Property Records. The Recipient agrees to keep satisfactory records of its use of its Project property, and, upon request, it will provide FTA the necessary information required to assure compliance with this Master Agreement.
 - f. Incidental Use.
 - (1) The Recipient agrees that any incidental use of Project property will not exceed what is permitted under applicable federal requirements and federal guidance.
 - (2) As provided in 49 U.S.C. § 5323(p), it may permit nontransit public entities and private entities to have incidental use of its federally assisted alternative fueling facilities and equipment, only if:
 - (a) The incidental use does not interfere with public transportation operations or violate the provisions of the Underlying Agreement and any Amendments thereto,
 - (b) It fully recaptures all the costs related to the incidental use from any nontransit public entity or private entity that uses the alternative fueling facilities or equipment,
 - (c) It uses revenues it receives from the incidental use in excess of costs for planning, capital, and operating expenses that are incurred in providing public transportation, and
 - (d) Private entities pay all applicable excise taxes on fuel.
 - g. Reasonable Access for Private Intercity or Charter Transportation Operators. The Recipient agrees to comply with 49 U.S.C. § 5323(r), and may not deny reasonable access for a private intercity or charter transportation operator to federally funded public transportation facilities, including intermodal facilities, park and ride lots, and bus-only highway lanes. In determining reasonable access, capacity requirements of the Recipient and the extent to

which access would be detrimental to existing public transportation services must be considered.

- h. Encumbrance of Project Property. Absent the express consent of the Federal Government in writing, the Recipient agrees to preserve the federal interest in its Project property, and to maintain satisfactory continuing control of its Project property as follows:
- (1) Written Transactions. The Recipient agrees that it will not execute any documents that would either adversely affect the federal interest in or impair its continuing control of the use of its Project property including, but not limited to, lease, transfer of title, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangements, such as a cross-border or leveraged lease, or other types of innovative financing arrangements, or any restriction, constraint, or commitment that may apply to the Project property. Upon request, the Recipient will provide a copy of any document described above to FTA.
 - (2) Oral Transactions. The Recipient agrees it will not obligate itself in any way through an oral statement to any third party with respect to its Project property that would either adversely affect the federal interest in or impair its continuing control of the use of its Project property.
 - (3) Other Actions. The Recipient agrees that it will not take any other action that would either adversely affect the federal interest in or impair its continuing control of the use of its Project property.
- i. Useful Life of Project Property. The Recipient agrees that:
- (1) Determining the Useful Life. FTA may establish the useful life of Project property,
 - (2) Required Use. It will use its Project property continuously and appropriately throughout the useful life of that property,
 - (3) Expired Useful Life. When the useful life of its Project property has expired, it will comply with FTA's disposition requirements, and
 - (4) Premature Withdrawal. The Federal Government retains a federal interest in the fair market value of Project property or remaining useful life in Project property calculated based on straight line depreciation (including Project equipment acquired by a state). Therefore, if the Recipient withdraws that property from public transportation use prematurely, it will notify FTA immediately when any of its Project property is prematurely withdrawn from appropriate use, whether by planned withdrawal, misuse, or casualty loss.
 - (a) Amount of Federal Interest. The federal interest in the Recipient's or any of its Subrecipients' Project property will be determined based on the ratio of the federal assistance provided for that property to the actual cost of that property.
 - (b) Financial Commitments to the Federal Government. Except as otherwise approved in writing by the Federal Government, the Recipient agrees that if its Project property is prematurely withdrawn from appropriate use:
 - 1 It will return an amount equal to the remaining federal interest in the withdrawn property to the Federal Government, or
 - 2 With FTA approval, it will invest an amount equal to the remaining federal interest in the withdrawn property in other transit property eligible for federal assistance provided through the Underlying Agreement.

- j. Calculating the Value of Prematurely Withdrawn Project Property. The Recipient agrees that the fair market value of Project property prematurely withdrawn from use in support of the Award (including the fair market value of project equipment acquired or improved by a state) will be calculated as follows:
- (1) Equipment and Supplies. The fair market value of project equipment or supplies will be calculated by straight-line depreciation, based on the useful life of that equipment or supplies as established or approved by FTA. The fair market value of the Project equipment and supplies withdrawn from proper use will be based on the value of that property immediately before it was withdrawn from appropriate use irrespective of whether the Project property was withdrawn from use due to fire, casualty, or natural disaster, and irrespective of the extent of insurance coverage.
 - (2) Real Property. The Recipient agrees that the fair market value of Project real property shall be determined by:
 - (a) Competent appraisal based on an appropriate date as approved by FTA, consistent with U.S. DOT regulations, “Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally-Assisted Programs,” 49 C.F.R. part 24,
 - (b) Straight line depreciation of improvements to the Project real property coupled with the value of the land determined by FTA based on appraisal, or
 - (c) Other applicable federal laws, regulations, and requirements.
 - (3) Exceptional Circumstances. The Recipient agrees that the Federal Government may require another method of valuation to be used to determine the fair market value of Project real property withdrawn from service. In unusual circumstances, the Recipient may request permission to use another reasonable valuation method including, but not limited to accelerated depreciation, comparable sales, or established market values.
- k. Insurance Proceeds. The Recipient agrees to use any insurance proceeds it receives for Project property that has been damaged or destroyed (including insurance proceeds for Project equipment acquired or improved by a state) as follows:
- (1) Replacement. It may apply those insurance proceeds to the cost of replacing that damaged or destroyed property,
 - (2) Another Purpose. It may use those insurance proceeds for another authorized purpose, provided that it has obtained FTA’s consent in writing, or
 - (3) Return to the Federal Government. It may return to the Federal Government an amount equal to the amount of the remaining federal interest in that property that has been damaged or destroyed.
- l. Misused or Damaged Project Property. If any damage to Project property results from abuse or misuse occurring with the Recipient’s knowledge and consent, the Recipient agrees to restore the Project property that has been damaged to its original condition, or refund the value of the federal interest in its Project property (including the remaining federal interest in Project equipment acquired by a state), as the Federal Government may require.
- m. Disposition of Project Property. The Recipient agrees that disposition of its Project property may be made as provided in FTA’s enabling legislation, 49 U.S.C. § 5334(h), U.S. DOT Common Rules, and the most recent edition of FTA Circular 5010.1, to the extent consistent

with applicable federal laws, regulations, requirements, and guidance. The Recipient understands and agrees that under certain circumstances, the Recipient must obtain disposition instructions from FTA before disposing of Project property, including real property, equipment including rolling stock, and supplies.

- n. Responsibilities After Closeout. The Recipient agrees that closeout of the Award will not change the Recipient's property management responsibilities for its Project property as provided in federal laws, regulations, requirements, and guidance effective now or at a later date, and this section of this Master Agreement.

Section 20. Transit Asset Management.

- a. Transit Asset Management Plan. The Recipient agrees to develop a Transit Asset Management Plan that complies with federal transit laws, specifically 49 U.S.C. § 5326, FTA regulations, "Transit Asset Management," 49 CFR part 625, and "National Transit Database," 49 C.F.R. part 630, and other applicable federal laws, regulations, and requirements.

 - (2) Each such building and its contents will be covered by flood insurance in an amount at least equal to the federal investment (less estimated land cost) or to the maximum limit of coverage made available with respect to the particular type of property under the National Flood Insurance Act of 1968, 42 U.S.C. § 4001 *et seq.*, whichever is less.
 - (3) It will follow FTA guidance, except to the extent FTA determines otherwise in writing.

 - (1) Provide fair and equitable treatment to displaced individuals and businesses that must be relocated as a result of any Project for which the FTA has provided federal assistance, and

- (2) Comply with federal transit laws, specifically 49 U.S.C. § 5323(b), which requires compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, 42 U.S.C. § 4601 *et seq.*, and U.S. DOT regulations, “Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally-Assisted Programs,” 49 C.F.R. part 24.

The Recipient agrees that the certification issued by U.S. DOL is a condition of the Underlying Agreement and that the Recipient must comply with its terms and conditions.
 - (2) Special Warranty. When its Underlying Agreement involves public transportation operations and is supported with federal assistance appropriated or made available for

49 U.S.C. § 5311, U.S. DOL will provide a Special Warranty for its Award, including its Award of federal assistance under the Tribal Transit Program. The Recipient agrees that its U.S. DOL Special Warranty is a condition of the Underlying Agreement and the Recipient must comply with its terms and conditions.

- (3) Special Arrangements for Underlying Agreements for Federal Assistance Authorized under 49 U.S.C. § 5310. The Recipient agrees, and assures that any Third Party Participant providing public transportation operations will agree, that although pursuant to 49 U.S.C. § 5310, and former 49 U.S.C. §§ 5310 or 5317, FTA has determined that it was not “necessary or appropriate” to apply the conditions of 49 U.S.C. § 5333(b) to any Subrecipient participating in the program to provide public transportation for seniors (elderly individuals) and individuals with disabilities, FTA reserves the right to make case-by-case determinations of the applicability of 49 U.S.C. § 5333(b) for all transfers of funding authorized under title 23, United States Code (flex funds), and make other exceptions as it deems appropriate.

Section 25. Early Systems Work Agreement.

- a. Statutory Requirements. If FTA enters into an Early System Work Agreement (ESWA) with the Recipient to advance the implementation of the Recipient’s Capital Project, the Recipient agrees that the provisions of 49 U.S.C. § 5309(k)(3) will apply to that ESWA, the Recipient, and FTA.
- b. ESWA Provisions. Except to the extent that the Federal Government determines otherwise in writing, the Recipient understands and agrees that the following provisions apply to its ESWA, unless the ESWA contains specific requirements to the contrary:
- (1) Recipient Representations. In view of the standards and commitments imposed on the Recipient by 49 U.S.C. § 5309(k)(3), the Recipient has provided sufficient representations and information to FTA so that FTA has reason to believe the following:
- (a) FTA and the Recipient will enter into a Full Funding Grant Agreement for the Project, and
- (b) The terms of the ESWA will promote the ultimate completion of the Project more rapidly and at less cost.
- (2) FTA Commitments. By entering into an ESWA with the Recipient, FTA has agreed to provide for reimbursement of the preliminary costs of carrying out the Project, including:

- (4) Interest and Other Financing Costs. Interest and other financing costs of carrying out the ESWA efficiently and within a reasonable time are eligible ESWA costs, provided that:
 - (a) The interest and financing costs claimed do not exceed the cost of the most favorable financing terms reasonably available for the Project at the time of borrowing,
 - (b) The Recipient has certified that it will show reasonable diligence in seeking the most favorable financing terms, and
 - (c) The Recipient is able to show reasonable diligence in seeking the most favorable financing terms to support this ESWA.
- (5) Contingent Commitment. In providing funding for the ESWA:
 - (a) In its discretion, FTA may include a commitment, contingent on amounts made available under a later-enacted law, to obligate an additional amount from future available budget authority to support the costs of the Recipient's ESWA, and
 - (b) If FTA does make a commitment to provide funding contingent on future amounts to be specified in law, that commitment is not an obligation of the Federal Government.
- (6) Failure to Carry Out the Project. If, for reasons within its control, the Recipient does not carry out the Project for which its ESWA was made available by FTA, the Recipient must:
 - (a) Repay all Federal Grant funds awarded under the ESWA from all Federal funding sources for all Project activities, facilities, and equipment, and
