

Coordinating Council on Access and Mobility

Planning Meeting for Joint Action to Address FAST Act Requirements

Monday, December 12, 2016

Location:

Federal Transit Administration/Department of Transportation, 1200 New Jersey Avenue SE, Washington, DC

MEETING OBJECTIVES:

The Fixing America's Surface Transportation (FAST) Act requires that the CCAM develop and publish a Strategic Plan outlining their approach to strengthen interagency collaboration, address outstanding recommendations, and eliminate burdensome regulatory barriers. The CCAM is convening to:

1. Gather feedback on the CCAM Strategic Framework; and
2. Discuss next steps.
