

Inventory of Federal Programs Providing Transportation Services to the Transportation-Disadvantaged

Published October 2019

The table below identifies federal programs that provide funding for human services transportation for people with disabilities, older adults, and/or individuals of low income, according to the GAO¹, the FTA Charter Rule,² and/or CCAM agency representatives. The criteria for inclusion in this inventory is that transportation service for one or more CCAM target populations is an eligible program expense, but inclusion does not necessarily imply grantees are using funds for such purpose.
